# BITS and PIECES

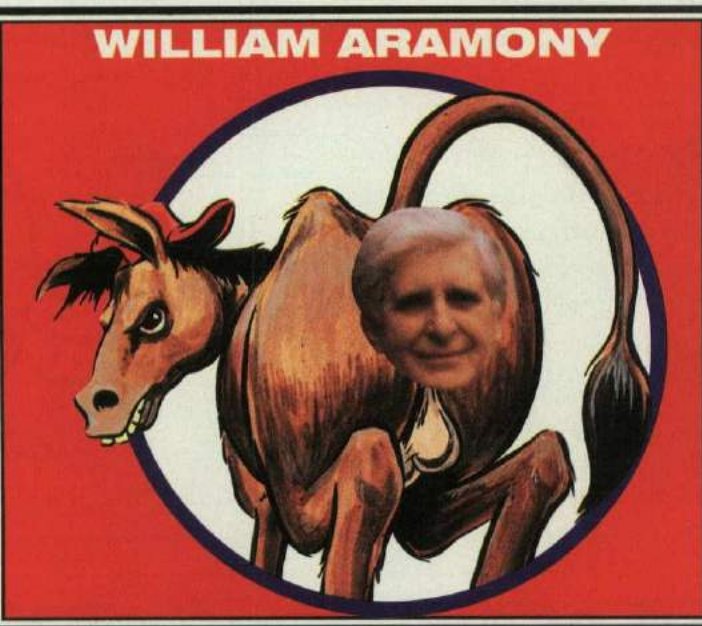

## ASSHOLE OF THE MONTH

The difference between a helping hand extended to aid a struggling fellow and a greedy paw reaching out to snare every dollar it can grab is the difference between honest charity and William Aramony. For 22 years, William Aramony served as national president of the United Way of America, an aggressive fund-raising mechanism that adherents say directs a portion of all cash mooched to worthy causes. Due to Aramony's disproportionate greed, self-importance, lust, stupidity, bad manners and extravagance, he was forced to resign his high-profile position in the world of corporate good deeds and take on a more appropriate title: that of HUSTLER Magazine's Asshole of the Month for August 1995.

The United Way of America is one of the world's largest not-for-profit, charitable fund-raising organizations. At least they say that they are not-for-profit and charitable. The do-gooder cabal's dollar-spawning expertise peaked in 1990, with a total of \$3.1 billion generated.

According to figures quoted by a federal jury that convicted him of 25 counts of fraud, conspiracy and money laundering, William Aramony did not misappropriate most of that \$3.1 billion, a shortcoming that must surely gall him now. The disgraced former figurehead of our nation's largest charity was found guilty of stealing no more than \$600,000.

Every one of those dollars had been entrusted to Aramony in good faith by individuals who believed they were giving freely of themselves. The donations were intend-

ed to help someone who deserved to be helped.

Not only was William Aramony wholly undeserving of a handout, he really didn't need help. Even before he'd veered into theft, William Aramony had shown an excellent ability to help himself. His annual compensation for lending his executive expertise to the United Way was a salary package that approached half a million dollars. He flew first-class and rode in chauffeured limousines while administering the needs of the downtrodden, all of which was business as usual in the high-finance regions of the nonprofit sector.

And still, William Aramony was not satisfied with his lavish lifestyle, an opulence founded upon the good

intentions of others. He had to steal.

Most of the bucks that Aramony swiped (funds earmarked by swindled true-hearts to assist the poor, the infirm, the elderly) were lavished upon young women. Very few of these ladies are interested romantically in the beady-eyed, felonious 67-year-old now, but he has his memories: Lori Villasor, for instance, is a vivid recollection.

Testifying against Aramony under immunity from prosecution, Villasor recalled that her four-year affair with Aramony began in 1986, when she was 17. She received a \$27,500 salary two years in a row to scout Florida shopping malls. The work totaled "an hour or so" over the entire 24 months. Don't

even think about which vital, necessary programs sacrificed the money that was diverted to pay Aramony's love bunny.

"I do apologize for any problems that my lack of sensitivity to perceptions has caused this movement," said Aramony upon resigning under pressure as the United Way's leader in 1992. Aramony's most callous insensitivity was to the perception that a thief is seen as a thief and a liar is seen as a liar.

Aramony's sensitivity to perceptions showed little improvement after he'd stepped down from the United Way throne. Despite looming criminal probes by the Federal Bureau of Investigation, the Internal Revenue Service and the U.S. attorney for the Eastern District of Virginia, Aramony had the steel-plated effrontery to claim \$4.4 million in retirement benefits from the very organization he had just finished bilking.

In his defense, Aramony's lawyers told the court that any fiscal abuses on the part of their client resulted from lax oversight by United Way's board of directors and bumbling by Aramony's staff. This refusal of responsibility is made by a man who was paid nearly a half million dollars a year to take responsibility.

Aramony's defense further contended that the thief suffered from brain atrophy, which made him more impulsive and less able to reason. Aramony suffers from a deeper, more heinous atrophy, an atrophy of the soul, which makes him more repulsive and less able to resist being an Asshole.

**Jenny Jones:** That 24-year-old, rabidly heterosexual Jon Schmitz fatally shot openly homosexual 32-year-old Scott Amedure after Amedure revealed a secret, erotic admiration for Schmitz on the syndicated *Jenny Jones Show* was stupid and tragic and could easily have been avoided. If Schmitz had been warned that the secret admirer who was scheduled to

### Farts in the Wind

ambush him with on-air affection was a gay man, Schmitz probably would have forgone the public display, and probably would not have killed another human. But then Jenny Jones wouldn't have had anything to air that day, other than her own Asshole.

**Pat Buchanan:** With a past as speechwriter for Dick "Liar" Nixon

and communications director for Ronald "Liar" Reagan, Pat Buchanan can be expected to overblow his rhetoric. Announcing his candidacy for President, Pat belched: "We will chase the purveyors of sex and violence back beneath the rocks whence they came." But lies are the pornography of truth, and Pat Buchanan is a stone Asshole.

## Don't Be a Jerkoff!

### Masturbation Amputation—It Could Happen to You

Across America, cries of agony herald the advent of an alarming new health crisis: Masturbation Amputation. For centuries, auto-erotic activity—masturbation—has been held in the highest esteem. Tragically, the era of worry-free whack-fun has been put on hold.

#### What Is Masturbation Amputation?

Masturbation Amputation is an affliction wherein onanists actually yank their penises right off their torsos. Fortunately, a simple, preventive treatment will keep the bane at bay: Don't be a Jerkoff!

#### Are You a Jerkoff?

The following guidelines describe who is most susceptible to Masturbation Amputation.

Respond "Y" for "yes" and "N" for "no":

- |  |                          |
|--|--------------------------|
| Jacking my noodle to a magazine other than HUSTLER is a possibility.                           | <input type="checkbox"/> |
| Erectile tissue in my penis has been served by HUSTLER Honeys—but only occasionally.           | <input type="checkbox"/> |
| Reaching for a new issue of HUSTLER is no guarantee I'll be slinging goo.                      | <input type="checkbox"/> |
| Kleenex is for blowing my nose; Not for mopping up my appreciation of HUSTLER.                 | <input type="checkbox"/> |
| Ogling the hags in subpar, non-HUSTLER skin-rags "works" for me.                               | <input type="checkbox"/> |
| For berserk humor, mind-blowing articles and super-hot pictorials, I don't know where to look. | <input type="checkbox"/> |
| Forget HUSTLER: I like <i>Playboy</i> and <i>Penthouse</i> .                                   | <input type="checkbox"/> |

If your opinion coincides with even one of the above sentiments, you are a Jerkoff. Stick with HUSTLER. America's Magazine never jerks its readers around.

## Fast Relief of Diarrhea of the Mouth

Aspiring thespian Brian "Kato" Kaelin, the scatterbrained witness in the O. J. Simpson murder trial, snagged several acting roles thanks to his sudden notoriety, but his greatest legacy may lie in the creation of a new product—Katopectate. One gulp before testifying, and judge and jury will swallow whatever bullshit a witness babbles. Why? Because this binding liquid makes facts sound sketchy and cohesive thoughts impossible to comprehend, all without perjuring side effects. **Katopectate—keeps you full of shit when you're straining on the stand.**

AD PARODY. NOT TO BE TAKEN SERIOUSLY. CELEBRITY HEAD STRIPPED ONTO OUR BOGUS PRODUCT. THERE'S NO WAY WE'D RISK FACING KATO IN COURT.

# What Does Pat Buchanan Do With His Sperm?

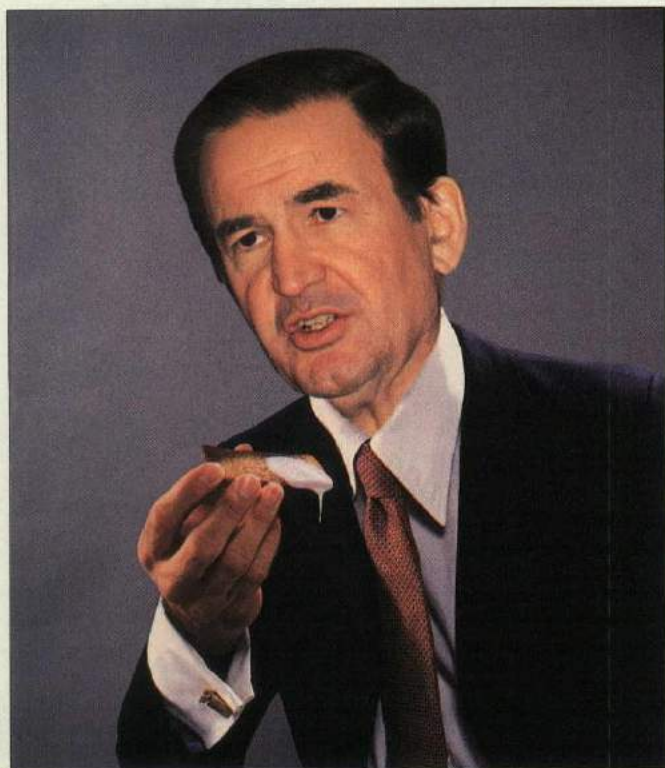

## The Facts:

Pat Buchanan, the blustering, blather-faced, ultraconservative Presidential candidate, was one of nine children born to Irish-Catholic parents. Irish-Catholics of Buchanan's ilk love to praise the large, Irish-Catholic family upbringing as a defining shaper of their more-righteous-than-God moral rectitude. And yet family valuing Buchanan, a staunch anti-abortionist who's been married to the same woman for 24 years, has never produced a child. Assuming he owns a set of balls, what does Mr. Buchanan do with all that sperm?

## Some Theories:

- Feeds it to his cats.
- Applies it to his hair.
- Uses it to polish photos of Hillary Clinton.
- Two words: hemorrhoidal cream.
- Gives it to Salvation Army Santas at Christmas.
- Shoots it on the empty seats of Democratic senators.
- Uses driblets to mark favorite passages of *Mein Kampf*.
- Fires it at tiny Japanese U-boat replicas in his bathtub.
- Spreads it on melba toast for lunch-on-the-go.

Only Pat's shrink and proctologist know for sure.

## Porn From the Past

While the Marx Brothers were earning fame in radio, the stripping troupe of Hairpo, Cheeko and Gincho attempted to cash in on the comedy trio's good name. The girls may not have been as funny as Harpo, but it was more exciting to squeeze their horns.

John Miller receives this month's \$150 prize, which can be yours by sending ye olde smut to HUSTLER's Porn From the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a self-addressed, stamped envelope if you want the material returned.

The March 1989 issue of *HUSTLER* ran the article *IRS Goon Squads: The Power to Destroy*. Now that story's author, Jeffrey Jackson, has turned his ongoing investigation of Gordon Kahl's tragic, unfair death into an eye-opening, feature-length documentary called *Death & Taxes*. A farmer and WWII hero, Kahl aggressively challenged the fairness of the IRS taxation system and was subsequently slain by federal agents in 1983. Discover the shocking lengths our government will go to to silence those who speak out against the system. Order *Death & Taxes*. Call 1-800-BURY-IRS for more information.

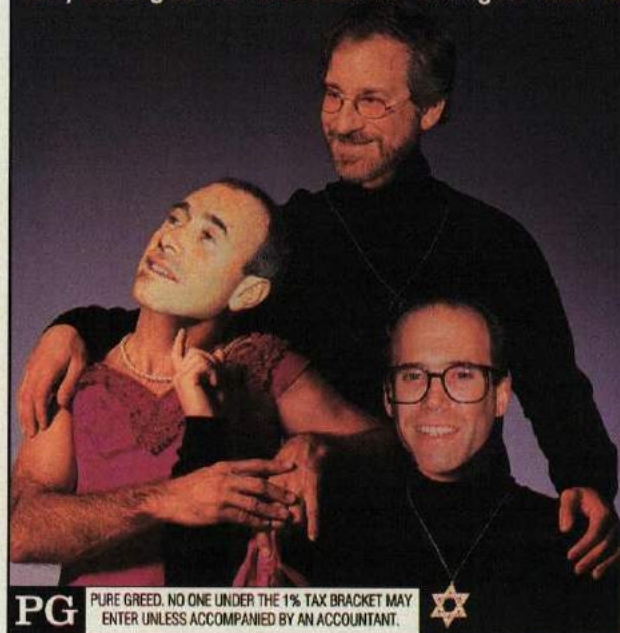

## CULTURE CRASH

Sex, drugs and reggae music are the sparks igniting *Love Punany Bad: Slackness in the Dancehall, Volume 1* (Priority Records), a compilation of 14 rude reggae anthems smoking with explicit sexuality. Snuff that spliff and wrap her lips around a fleshy, throbbing fat one while grooving to songs like "Wicked in Bed" and "Love Punany Bad" by Shabba Ranks. Huffing gonads is a better way to enjoy reggae, and a lot easier on the lungs.

# Jenny Jones

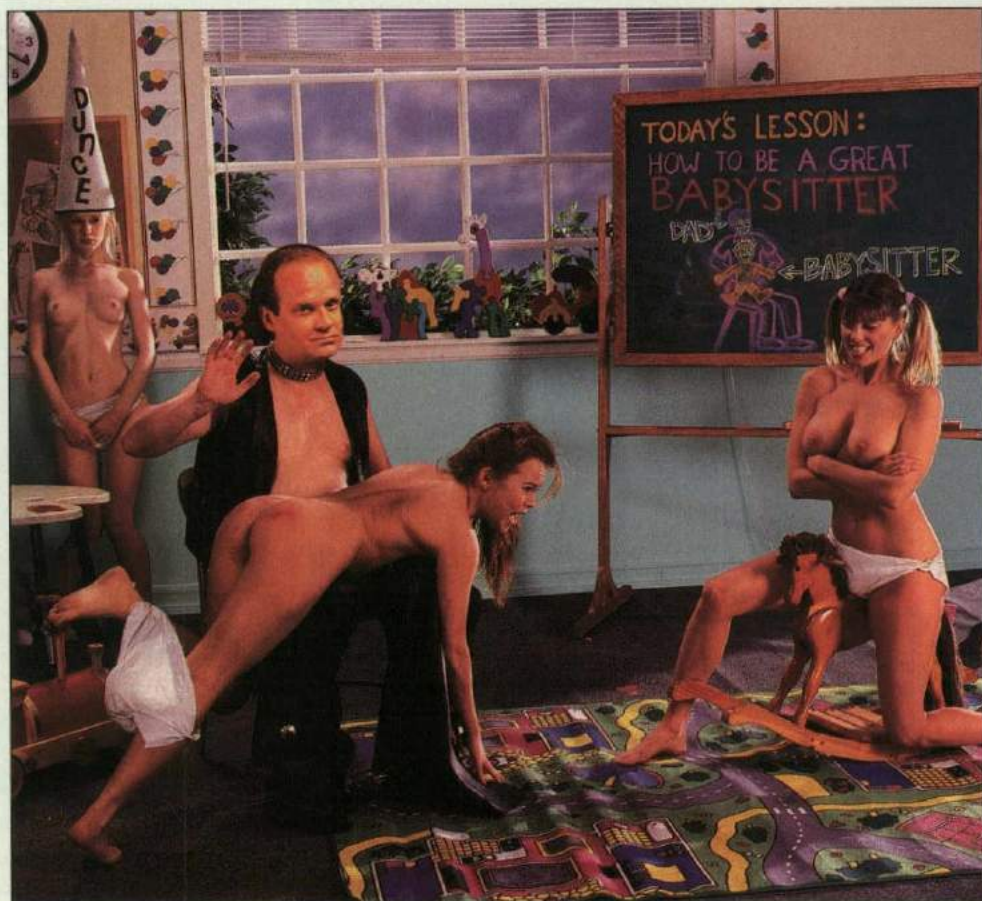

## The Hostess With the Moistest

Talk-show glory hole Jenny Jones claimed "no responsibility whatsoever" when a high-ratings ploy involving secret admirers backfired with a deadly bang! A recent episode of Jones's syndicated program coupled a gay man with an unwitting straight male who was arrested and charged with murdering the fay fancier three days after the taping. Criticized for misleading her guests, Jones retorted, "The most frustrating thing is to see these allegations against the show." Turnabout being fair play, we'd like to present Jenny with a secret admirer who also knows something about frustration: Iron Mike Tyson.

## Kelsey Grammer School

The life of a TV star can be hard, what with the fans, the fame and the lure of drugs and underage girls. Kelsey Grammer has wrestled with temptations. Arrested for cocaine possession and drunk driving in the '80s, TV's *Frasier* was recently accused of having sex with a 15-year-old baby-sitter. Exonerated of the molestation charges, the actor should now use his carnal knowledge to help others. HUSTLER envisions the Kelsey Grammer School of Hard Knocks, a learning center where the former *Cheers* star can give young chicks the hands-on training they need to succeed in today's lecherous landscape. Punishment is stiff, but, in Kelsey's case, it fits the slime.

Last March, *Rolling Stone* editor and publisher Jann Wenner left his longtime wife for a man. While there's nothing illegal about a fat, old fellow suddenly switch-

## A Vote of Compliments

HUSTLER has become my favorite magazine for monkey-spanking. I love it so much, especially your inventive ad parodies, which always produce gut-wrenching laughter! I even got kicked out of a relative's house for possessing the May 1994 issue. (I don't regret it a bit.) I read the article about Larry Flynt in last year's anniversary issue (*The Larry Flynt Way*, July '94) and since then, Larry's become my hero! In fact, if Larry wanted to run for President, he'd absolutely have my vote. I have no suggestions or complaints, just compliments of satisfaction for years to come.

## Fuck Richard Simmons

I am a female fan of your magazine, and I nearly died when I saw the picture of Ashley standing on the motorcycle with her big, well-rounded tits exposed along with her white panties (*Ashley: Slow Ride*, June '95). Ashley, with her perfect body, has become my role model to encourage me to lose weight once and for all. In fact, her picture is right in front of my wall unit to give me a kick in the ass. I often wonder how HUSTLER's girls keep in such fine shape? Perhaps you could produce a HUSTLER workout video to help us regular girls stay fit and trim. Many thanks for your delightful pictures and articles.

—C. L.  
Mineola, New York

*Of course, any HUSTLER weight-loss program recommends plenty of exercise, C. L., either on your knees or prone with a straining man or woman helping shuck away those excess pounds.*

## Vegas or Bust

I recently read an article in HUSTLER about the Consumer Electronics Show in Las Vegas (*Leers and Boning in Las Vegas*, June '95). Before seeing this incredible story, I had only heard about the spectacular things that go on at this show, but now that I've read your fascinating account of this porn party, all the rumors I've heard appear to be true. As

I sat with my eyes glued to the pages, I dreamed of the day I could meet all the gorgeous porn women that I grew up watching and admiring. Please share any information on how I can fulfill my lifelong fantasy of attending the Consumer Electronics Show.

—F. B.  
Morgan City, Louisiana

*Once a year, usually around the first weekend of January, the Consumer Electronics Show in Las Vegas, Nevada, brings porn's most bodacious movers and shakers together for a weekend of fan ap-*

*preciation and general debauchery in the heart of sin city. To inquire about tickets, call the Consumer Electronics Bureau at (703) 907-7600. Although passes are generally given only to those affiliated with the media or a specific vendor, the real action takes place outside the convention hall. Mike Albo, Executive Editor of HUSTLER EROTIC VIDEO GUIDE and author of the piece you read, recommends hanging out in Bally's Panda Lounge to stargaze and maybe brush shoulders with the XXX crowd.*

## To Be Taken Seriously

As someone who did time in the advertising industry, I particularly enjoy your inventive and irreverent ad parodies such as the Calvin Klein spoof in June (*Calvin Fagge Underwear for Women*, June '95). In the spirit of cooperation among advertising folk, I would like to suggest a topic to parody: Foreskin Gump—He's big, he's dumb, and he's uncut. Life is like a box of smegma; you never know what you're gonna get, but you know it'll be pretty cheesy. I hope this recommendation proves useful. Keep up the good work!

—T. Z.  
Bergenfield, New Jersey

Ashley: Slow Ride

*Funny you should use the phrase "did time" when describing a job in advertising; it must seem like prison. Decent folks figure that advertisers are bottom dwellers in the sea of life, right next to lawyers. Check out a piss-take on hair-replacement products, we call 'Hogaine, on page 29 of this issue.*

# FEEDBACK

## Boosting Morale

Hello from what the government calls "The Haitian Vacation" in Port-au-Prince, Haiti. While us soldiers sit down here basking our armor-covered, weapon-wielding bodies in the Caribbean sun, you guys get all the pussy. All they have here are nudie books with *National Geographic*-type layouts of some ugly African chicks with tits down to their waists. Fortunately, there's HUSTLER Magazine to keep our spirits high! After we walk out of the PX, we jump into our Hummers and open the pages of the latest HUSTLER. Yours is such a fine, respectable magazine filled with such exotic women. As for all those fucking politicians who don't like HUSTLER, tell them not to open the pages! Thanks. You're keeping the troops here on the "up and cumming." —C. B. Port-au-Prince, Haiti

## April's Fool

I have just purchased your April 1995 issue. I have never spent money more foolishly in my life. There was more skin in the *Sports Illustrated* swimsuit issue. I have bought HUSTLER for years, but I won't again. Your magazine is going downhill. —D. O. Clear Lake, Iowa

Sorry you feel that way, D. O. Please ask your optometrist to check for colorblindness. The only pink in *Sports Illustrated* is Michael Jordan's extended tongue.

## Splendor in the Ass

I am 34 years old and have been reading and looking and jacking off to HUSTLER for the past 18 years now, but this is the first time in my life that I am jacking to it from inside a prison; so you can see why my HUSTLER subscription is so important to me at this time. For the past year, I have only been around men who say things like, "There's no better joy than a big butt boy!" A man's got to keep his perspective. Shannon and Sandy in your May 1995 issue was one of the hottest pictorials I've ever seen in a magazine (*Shannon and Sandy: Pink Panthers*, May '95)! Sandy is so hot with those real tits, that apple pie pussy and her tight little asshole. I would love to shove my fat cock deep inside her ass, then shoot my hot, thick cum all over the beautiful golden hair on her legs and butt. Thank you, HUSTLER. Keep up the good work, and I will keep on loving tits and pussies and asses for the rest of my life. —T. C. Buena Vista, Colorado

## Something Fishy

I am a married woman, and I don't get too much sex. I would love to meet a boy and girl who want to have a threesome whenever my husband's away from home. If you know of anyone who wants to do something like this, please have them write me at my home address. —M. B. Portsmouth, Virginia

Do tell, M. B. You've also got oceanfront property in Kuwait you'd like to sell?

## The Naked Truth

HUSTLER is one of the few magazines that makes me grin. The May 1995 issue was no exception, but the *Sex Play* article left me a little pissed ("And the Glands Played On: Senior Citizens With AIDS," *Sex Play*, May '95). The article brought up an important question, then left me hanging without providing an answer: Can men get AIDS or venereal disease from oral sex? —B. P. Camden, New Jersey

Men and women can get everything from lockjaw to VD to AIDS from unprotected oral sex, B. P. It's important to educate yourself about the ways these diseases are transmitted to prevent possible infection. Consider this

quote from that *Sex Play*: "If a person is going to be sexually active with anyone but a lifetime monogamous partner, then condoms are an absolute necessity." Proceed with caution.

## Back to the Future

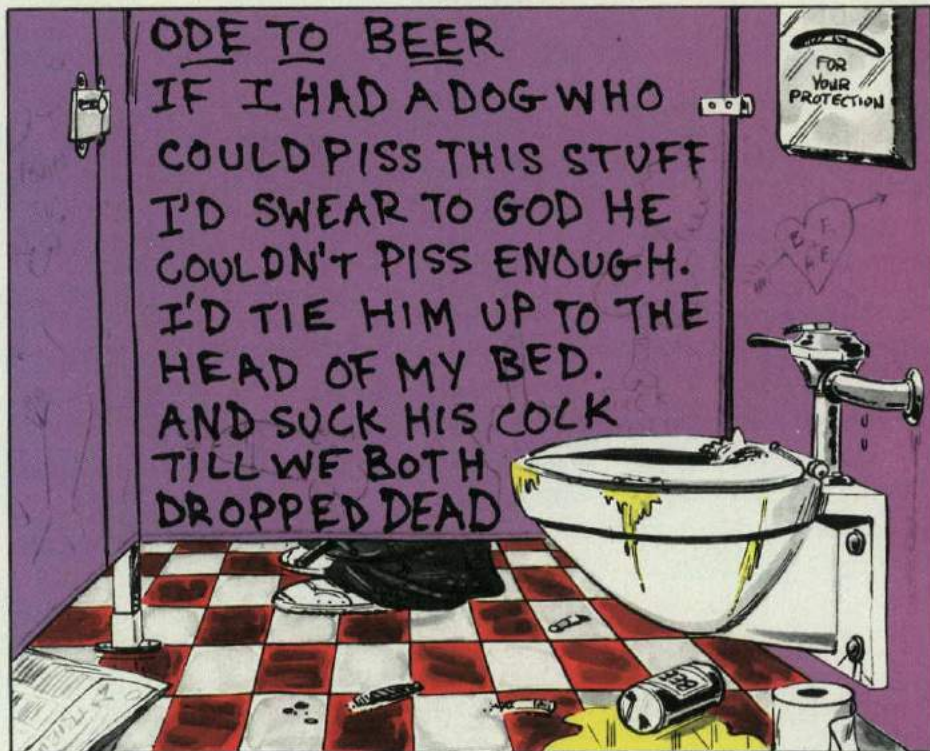

I have been trying to update my HUSTLER collection. I have every issue from 1990 to the present, but I lack some earlier issues. Please tell me how I can get back issues. The bookstore I go to in Milwaukee does not have many old copies left. You guys are the best! —C. S. Brookfield, Wisconsin

No need to root through piles of mags at adult-book stores to find our missing booty. Back issues of HUSTLER can be ordered quickly and conveniently by writing to HUSTLER Back Issues Department, P.O. Box 474, Mt. Morris, Ill. 61054. Include a check or money order for \$6.50 per issue made payable to LFP, and be sure to state the exact issue or issues you'd like.

## Who's Zooming Who?

I'd like to respond to a letter in the Feedback section of HUSTLER's March 1980 issue. That letter regarded Zoom magazine. (continued on page 27)

Chameleon

The theory of evolution maintains man evolved from monkeys. No wonder male/female relations are so primitive. What if we had developed from a different species? If, say, the chameleon lizard, with its ability to change skin color and blend into any setting, had been

our biological ancestor, guys today would demonstrate even greater compromise and flexibility when wooing dames. Share the fantasy and spend a day in the life of a lucky man whose complexion changes to match the environment he invades.

# FEEDBACK

(continued from page 15)

zine's pictorials of nude children ("Zoom," *Feedback*, March '80). The reader agreed that children are not capable of "making critical decisions," and then stated that children are naturally sexual creatures and should be able to participate in sexual expression, provided their interests are protected. Your editor responded by denouncing *Zoom*. For that, I applaud HUSTLER.

I would, however, like information on how to obtain that issue of *Zoom*. I've telephoned local booksellers, but they have no information on that magazine. If it is still in operation, could you give me an address to contact the publisher? Also, please send me a back issue of your October 1979 issue featuring the 18-year-old Lolita (*Lolita: Back to School*, October '79). I am concerned. I would like to look at your pictorial of Lolita to see for myself. Thank you for your time and consideration in this matter. —V. H.

Las Cruces, New Mexico

To reiterate what we stated in our March '80 *Feedback* reply, "We will never believe that a 12-year-old is capable of making mature judgments." We only mentioned *Zoom* magazine to confront the issue of kiddie porn in America. On the other hand, beauty is youth, V. H., and to order any back issue of HUSTLER, including the October '79 issue, refer to the address listed in response to the previous letter. In addition, call 1-800-220-0314 to order a subscription to HUSTLER'S BARELY LEGAL and enjoy a plethora of girls just old enough to know better. That way, you'll be well-educated.

## Black to the Future?

*Penthouse* and *Playboy* don't feature black women at all, though *Playboy* does have a mulatto girl once every decade or so. That's how HUSTLER has an advantage over them in the marketplace. I appreciate HUSTLER's reputation for unsurpassed quality and the balls to show women of all ethnicities. All pussies are beautiful, no matter what shade of pink they are.

—J. J.

Hartford, Connecticut

HUSTLER has always been an equal-opportunity employer. After all, sexuality knows no race. To celebrate the many living colors of women the world over, we invite readers to *Drench the Rainbow* on page 57 of this issue.

## Poetic Justice

I was recently paroled from prison, and I want to thank HUSTLER for helping me get through the long years on the inside. HUSTLER's so good, it's almost better than man's best friend, the dog. To show my appreciation, I wrote a poem called "Time Made Easy." I owe you a zillion.

Time made easy

Sittin' all alone in this cell

Soon I'll be out 'n' away from this hell

Meantime alone I sit and wait

Sometimes I even masturbate

I got a good mag that I owe all to you

It's hard to believe what I go through

Saltpeter don't help; it cramps my style

With one month left, I don't need a file  
And when I'm out with a dame at my side  
I always got HUSTLER along for the ride.

—L. L.

Boise, Idaho

Good luck on the outside, L. L. Remember, we're always here to help.

## ICE MAIDEN

Since I'm a writer, I work at home, day and night. I never leave my shitty apartment to venture out into my crummy neighborhood. Who'd want to, anyway? It's fucking hot in New Orleans in the summer. A couple of weeks ago, it hit 114°. It was so humid, the wallpaper was peeling.

I couldn't write that afternoon. My cheap air conditioner was making an incredible amount of noise just to pump out a few feeble puffs of lukewarm air. I turned away from my computer to stare out the window.

There, across the courtyard, a beautiful young girl sat in an open window in just her panties, rubbing ice over her breasts and belly while a fan blew back her wavy, chestnut hair. I stared freely, since her eyes were closed. She had just moved into the building. I hadn't met her yet, but I'd seen her around with a big, bruiser guy of questionable pursuits.

Her air conditioner must not work at all. I sure didn't mind. I was just reaching down to free my cock, which was bumping its head anxiously against my zipper, when she opened her eyes. *Oops*. Her gorilla boyfriend was going to kick my ass. But she smiled and curled a finger at me.

*Me?* I gestured. She nodded, and I raced over to her apartment, taking care to lock mine up first.

She let me in the door, still half-naked.

"I'm so terribly hot," she sighed in a syrupy-sweet voice. "I barely have the strength to lift an ice cube. Help a lady." She handed me a bowl of ice.

"Your boyfriend might object," I said.

"Oh, he won't be here for a while," she assured me. "And he's not really my boyfriend anyway."

She led me away from the window and

into the bedroom, where she lay down on the bed, shut her eyes and spread her arms wide. I took a cube and rubbed it over her breasts, which were as soft and round as cotton balls. Her pink nipples grew tall and stiff from the cold friction. I thought my cock would explode.

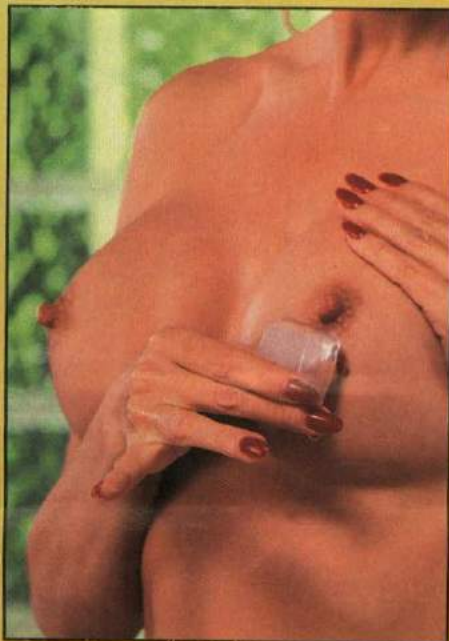

The girl sat up, fixing her heavy-lidded, hazel eyes on me. "My little pussy is positively ablaze," she announced, pulling her panties off and directing my hand down between her legs.

Her twat was gushing out boiling oil. I rubbed the ice between her steamy cunt lips, where it instantly melted. I reached for a new cube and pressed it against her clit, then poked a frozen corner deep into her hole. She jumped.

"You must be hot too," she declared. She grabbed my hand and pushed the cube to my lips, and I sucked the cunt-flavored ice pop into my mouth.

"Now kiss me," she demanded. She pulled my face to hers and jammed her tongue into my mouth, sucking the nasty cube into her own and noisily crunching the last bit.

"I need something more to suck on.

What have you got for me, son?"

I tore my clothes off and stood by the side of the bed, proudly showing her my seven-inch prick.

"Not too shabby," she remarked before wrapping her cool lips around my fire-engine-red cock head and sucking in deeply. She squeezed and massaged my sweaty balls while she ate my prick from head to furry base. I could barely breathe. The combination of the heavy air and the touch of her mouth, already hot again, was making me faint. I swayed.

She backed off my dick. "You need to cool down."

She laid me on my back and grabbed some ice. "Don't pass out on me now," she ordered, washing my face and chest with ice until my breathing slowed.

"Better now?" she asked. I nodded.

"Good." She scurried up my chest and planted her muggy snatch on my face.

"Just get me a little wet, hon."

A little wet? The perspiration was streaming down from her tits and belly onto my flickering tongue. But I didn't mind. I savored the salty fluid swirling around in my mouth, mixing with her tangy cunt oil.

The girl clawed at her heaving tits and threw her head back as I jabbed my tongue into her sub-tropic twat. Beads popped out on her forehead.

"That's a good boy," she panted.

She scooted down my torso and speared her snatch on my dick. Bracing her slim arms on my chest, she rammed her cunt back onto my cock. Her sweat-slick ass slapped against my glistening belly like clapping hands. Sweat flew off her jumping-jack body and splashed over my chest and face, and stung my eye. She leaned back and, taking my prick in as deep as it would go between her narrow little hips, ground her pussy into my soaking pubic hair, making a squishy mess. My balls were about to bubble forth with molten lava any second.

"Are you going to come, hon?" she asked.

I gasped.

She quickly hopped off my prick, grabbed a fistful of ice and pressed it against my crotch.

"Yow!"

"Hang on," she smiled. "You'll like this."

The ice froze my splooge in mid-stream. The fiery blast instead pumped out in slow, excruciating motion, washing over my body in a dizzying wave, until the last drop trickled out the tip of my

EDITED BY MIKE MCPADDEN

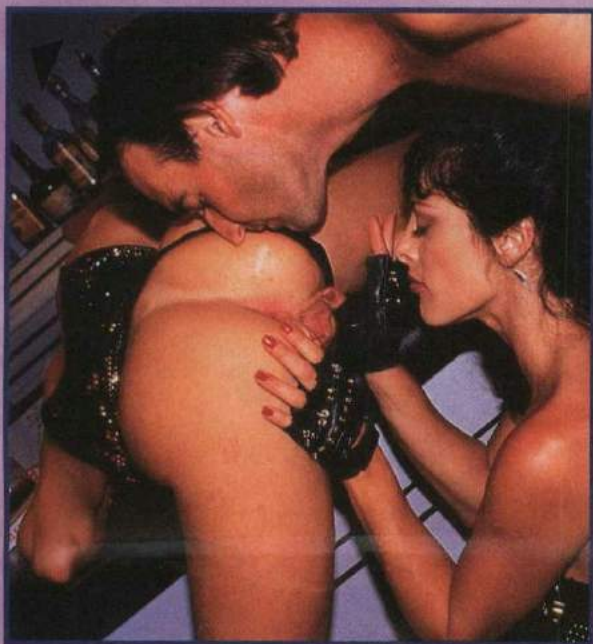

### THE BUTT DETECTIVE

**Three-Quarters Erect.** Directed by Mondo Tundra; starring Juli Ashton, Tammi Ann, Vanessa Chase, Nicole Lace, Rebecca Bardoux, Ariana, Mike Horner, Jon Dough, Nick East and T. T. Boy. Videocassette: VCA.

With an above-par modicum of style and heat, *The Butt Detective* initiates VCA's *Plunge Series*, a planned line of premium-quality, anal-intensive fuck tapes. Mike Horner dons the most tired guise in adult entertainment—the private dick—to scour the earth's bowels in search of one browneye supreme. Gumshoe Horner's trip is a hoat, for the most part, as he wanders from one wacko set-piece to the next, setting in motion repeated incidents of multi-partner sphincter sex, much of

it blisteringly intense. The standout encounter is an art-wrecked lesboid bathing-beauty threeway meld of Vanessa Chase, Juli Ashton and Nicole Lace. *The Butt Detective* borrows heavily—in its cast, concept and lowbrow Bizarro-world atmosphere—from the canon of director Greg Dark, but first-time filmmaker Mondo Tundra delivers impressive, unexpected freshness on the off-kilter stroke-flick front.

—Selwyn Harris

**Butt:** Ariana, Horner and hole.

**Detective:** Chase and Lake take in some local color.

## PUBLIC PLACES 2

**Totally Limp.** Directed by Stuart Canterbury; starring Rebecca Wild, Christina West, Barbara Doll, Ariana, Crystal Wilder, Brittany O'Connell, Tera Heart, Buck Adams, Marc Wallace, Joey Silvera and T. T. Boy. Videocassette: Sin City.

First off, *Public Places 2* is a lie: After setting viewers up to expect outdoor intercourse and sudden sex in plain view of regular joes, not one of the tape's unpleasant, overpoweringly claustrophobic incidents of coitus occurs anywhere that isn't a soundstage or, at best, someone's well-sequestered backyard. Secondly, *Public Places 2* is lousy: Bored, overworked porn stars slogging through routine pokes in such damnably unimaginative setups as a stuck elevator and a restaurant after closing.

Hot stuff, huh? Creator Stuart Canterbury should be ashamed; the hand-humping masses ought to stage a *Public* rebellion. —S. H.

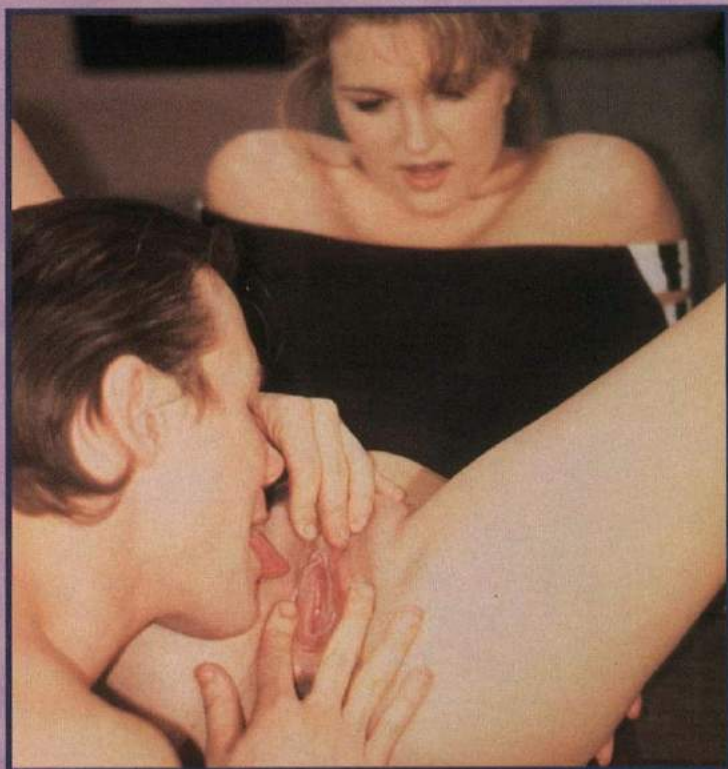

**Places 2:** O'Connell is open for inspection.

## BABEWATCH 2

**Half Erect.** Directed by Bob Vosse; starring Sindee Cox, Vanessa Steele, Desiree Dupree, Melissa Hill, Nicole Lace, Joey Silvera, Rich Roberts, Brick Majors, Jon Dough and Emerald Estrada. Videocassette: Coast to Coast.

Sizzling sex upon pristine sands, a backdrop of thundering surf and spewing spray—the closest *Babewatch 2* comes to delivering alfresco coastal delights is the opening montage of camera pans across tanned and toned California sunbathers, carefully avoiding showing anybody's face or other features that might be identifiable in civil court. The boning of *Babewatch 2* mostly takes place, like so much video vengery, upon a desk top, on a bar, on a couch or a bed or something. The reader who is able to decipher the message between the lines of this review will infer that the *Babewatch 2* couplings and triplings are unremarkable, less than memorable, standard, with slight impact and minimal lasting effect. So true, excepting the final fuck, which is shot in an open-air jacuzzi with the unusual diffuse allure of underwater photography and a slick shot of jizz across a sweet snizz face. *Babe 2* is something to watch, but very little further activity is likely to arise. —Christian Shapiro

**Lingerie:** Kirsty shows her best way.

## LINGERIE

**Half Erect.** Directed by Jim Enright; starring Amanda Adams, Rachel Love, Tera Heart, Kirsty Waay, Alex Sanders, Tony Tedeschi and T. T. Boy. Videocassette: Sin City.

Rachel Love opens the affably goofball *Lingerie* by opening her legs atop an office desk for an anonymous prick-wielder. Love is routed so royally that her climax is literally explosive: "She came so hard," police inspector Tony Tedeschi explains the following day, "that she actually blew up." T. T. Boy bangs lead suspect Kirsty Waay between the bars of her jail cell; Sanders and Amanda Adams jam carnal at another end of the holding pen; Boy bombards an unidentified bimbo's bung-hole; and Sanders closes the show by violating and decorating the fleshscapes of two fair-haired lust-pastries. Like the apparel from which it takes its title, *Lingerie's* flimsiness is the very source of its appeal. —S. H.

**Babewatch:** Skin-diving like it ought to be.

# FRESH... and Natural

Rachel Love

Could the pandemic wave of silicone poisoning among our porn starlets finally be subsiding?

An onslaught of new, implant-free lovelies has been lighting up the blue screen of late. From the elegant chest blossoms of Jen Teal to the quintessentially cuppable casabas of M and Melissa Monet to the massive, mouthwatering mountain mams of Rachel Love, unenhanced boobs provide the XXX audience with reason to cheer: All hail the triumphant return of Mother Nature!

## COMPANION: AROUSED 2

**One-Quarter Erect.** Directed by Paul Thomas; starring Ashlyn Gere, Asia Carrera, Tera Heart, Sandi Beach, Dallas, Randy West, Steve Drake, Nick East and Guy DaSilva. Videocassette: Vivid.

Paul Thomas must hate masturbators. No other porn director so consistently delivers gorgeous women in pretty-looking, ostensible "sex" films with such boring and profoundly unerotic results. *Companion: Aroused 2* boasts a plot as witless and nonsensical as its title (though vastly more long-winded), while forcing the supple female talent on hand to hunker down with Thomas's "glory days" blue-movie buddies—i.e., the ultra-wizened Randy West—who might kindly be described as "veterans." *Aroused 2* features a bevy of natural boobs, semi-dream-team girl/girl possibilities, rectal sodomy, and even a scene of Ashlyn Gere running a razor up West's shaft with bloody results. None of this matters. Paul Thomas was behind the scenes (and in one early exchange, in the foreground) of *Aroused 2*; so the finished product adds up to nothing more than shit: tepid, confusing, antisexual, nonpornographic shit.

—S. H.

*Companion: DaSilva does Dallas.*

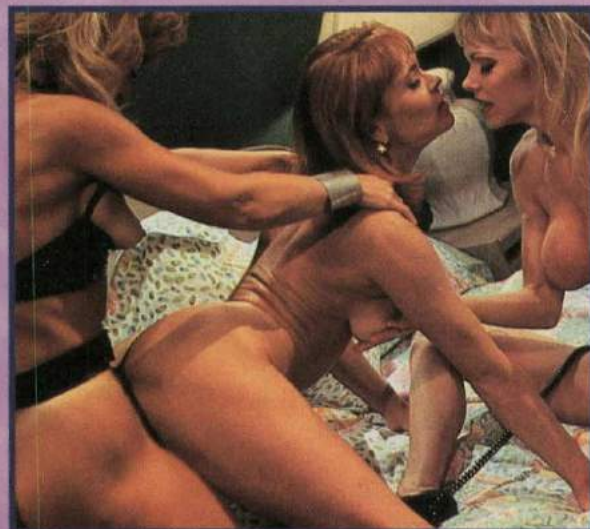

## PAJAMA PARTY X NUMBER 2

**Half Erect.** Directed by Steven Katz; starring Porsche Lynn, Crystal Wilder, Nina Hartley, Misty Rain, Brittany O'Connell, Sarah-Jane Hamilton, Lynden Johnson, Summer Knight, Kylie Ireland, Leena, Sahara Sands, Sheena, Alicia Rio, Celeste, Dyanna Lauren, Tiffany Mynx, Rebecca Bardoux, Sabrina Scott and Three Dudes. Videocassette: VCA.

In what all good men hope is not a coming trend, *Pajama Party* host and smut historian Jim Holliday berates his audience members who are wanking to *Party Number 2* without first having passed the prerequisite course of spewing to the original *P. J. Party*. As he reviles his paying customer "boneheads," Holliday's throat constricts alarmingly and a series of important veins bulge threateningly across his forehead and temple. He looks sick, sweaty, pasty and jittery. Jim, if you're reading this, take care of yourself. You seem to be one of few porn impresarios around who's able to assemble close to 20 well-known XXX pussies in a massive pile of writhing fuck-flick femme flesh, and keep everybody calm in the process. If you have a heart attack or an aneurism, what will the abandoned stroker do for jizz kicks? The only alternative would be to beat off to Max Hardcore, with one-sixth of the personnel and six times the spew.

—C. S.

*Pajama: Porsche and pals, driven by plastic.*

## SEX ON THE RUN PART 2: SEX CANADIAN STYLE

**Totally Limp.** Directed by Shawn Ricks; starring Sydney St. James, Lana Sands, Monique, Kasha, Wild Rose, Shawn Ricks, Nicky Wild and Dennis Lang. Videocassette: *Totally Tasteless Video*.

A piece of crap. Totally clueless video. Totally cheap-ass video. Shawn Ricks and Sydney St. James try to make like John Stagliano and Tianna in *Buttman* and *Buttwoman*, but minus the butt brains. Shawn and Sydney scour Montreal and Toronto, Canada, in search of Canadian beavers to appear in their low-rent, low-tech, low-energy suck-and-blow-on-the-go tape. They find a few low-tier strip dancers willing to grope and groan. They also shoot some scenery: the office of a Canuck video distributor, his warehouse, airport interiors, cheap hotel rooms without views, inside of a car—relentlessly boring crap. The uniformly dull sex that takes place in these settings is suffused with lighting that alters the participants' skin tones so they look irradiated or like dark shades of human beings who have passed into some other plane of existence, separate from the rest of us, where they should have taken *Sex on the Run Part 2* with them.

—C. S.

**Sex Canadian Style:** Bacon, anyone?

### THE FOX E AWARDS WHEN STALKING'S JUST NOT ENOUGH

Shelby Stevens, Rebecca  
Bardoux.

Vince Voyeur nibbles  
Nancy Vee.

Once a year, the Fans of X-Rated Entertainment organization—better known as FOXE—takes over the Mayan Theater in Downtown Los Angeles, locking the doors and letting the fun begin. Porn fun, that is.

While most of the cash-paying smut junkies were confined to the Mayan's bar and dancefloor, this year a lucky few won passes to enter the oversized dressing room, where suck stars such as Leena, Shane, Felecia, Shelby Stevens and the favorite flavors of the week lounged about in states calculated to make flashing for pro/am fanboy photographers fun and easy.

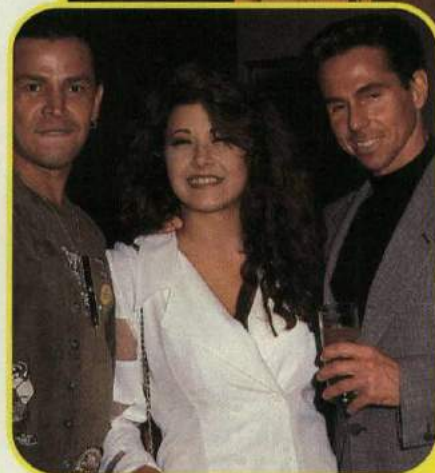

On stage, horny hostess Nina Hartley kept the show moving by introducing grandiose strip acts and handing out the fan-chosen awards: The Male Performer of the Year title was accorded to Rocco Siffredi and Randy West; Female Performers of the Year were Debi Diamond, Leena and Alicia Rio; Kylie Ireland was named 1995's top new talent; old-school headmistress Gloria Leonard lugged home her long-time-coming Lifetime Achievement trophy.

What an honor.

—Michael Albuquerque

Shane and pal show off.

Peter North parties.

## CREME DE LA FACE #4

**Three-Quarters Erect.** Directed by Rodney Moore; starring Kymberly Kyle, Randi Hart, Daphne, Galatea, Candy Snow, Satin Sheets, Taylor Fine, Carly, Jasmine, Kim Odessa and Rodney Moore. Videocassette: Odyssey Group Video.

The box copy of *Creme de la Face #4* promises "Another dirty, disgusting volume," "Anal & Oral Action," and "12 sticky cum blasts." It's all true. Director and star sperm spout Rodney Moore bills himself as the King of Creme, and the copious, chunky, commodious emissions that ooze and blurt out of Rodney's chowder hose are certainly fit for royalty. Rodney's girls vary in quality from scaggy to almost good-looking. Their common fate is to be facially submerged in a wash of wad so rich and creamy that it would look fake if it hadn't just seeped and spurted from a

malevolently winking dick slit. It would be unfair to speculate that many of Rodney's women are hookers, but it's a good bet that most of them get more than they bargained for when jizz Rod drops his massive load on their smirking and smug mugs—smirking and smug up until then that is. Mouths sealed and silenced by a mask of hardening scum, the broads look out from betrayed, horrified, cold and hateful eyes; only essence-of-male can make them that way. Next, turn off the TV, and they go away. —C. S.

## THE SCARLET WOMAN

**Half Erect.** Directed by Jim Enright; starring Juli Ashton, Barbara Doll, Kirsty Waay, Rachel Love, Bunny Bleu, T. T. Boy, Marc Wallace, Tom Byron and Steven St. Croix. Videocassette: Sin City.

A consummately alluring assemblage of squack is squandered in *The Scarlet Woman*, a mildly ambitious undertaking done in by Jim Enright's inept direction. Nowhere is that unmistakable Enright incompetence more aggravating than during a poke-pile involving Tom Byron, Kirsty Waay and Rachel Love. Love is a blond nubile possessing the largest, lushest set of natural knockers currently bouncing in adult video and, to the horror of any hand-humper longing for a gander at those übermams, Enright repeatedly cuts away from Love's sweet, swinging sacks, and instead focuses on arms and backs and Byron's distended Bud-gut. Such unconscionable clumsiness pollutes, to varying degrees, the remainder of *The Scarlet Woman's* nookie-content—Barbara Doll blowing T. T. Boy and being sphincter-plowed by Steven St. Croix; Boy laying Waay; and Juli Ashton boffing Byron and Bunny Bleu alike. Mr. Enright should not be surprised when strokers see *Scarlet* over his hard-on-squashing technical fuckups. —S. H.

**Scarlet:** Ashton buffers Byron and Wallace.

## YOUNG NURSES IN LUST

**Three-Quarters Erect.** Directed by Jane Waters and Harold Lime; starring P. J. Sparxx, Misty Rain, Vanessa Chase, Barbara Doll, Olivia, Jon Dough, Marc Wallace and Peter North. Videocassette: L.B.O. Video.

Vanessa Chase is a fucking angel. From her delectable, baby-faced "fuck me" pout to her pert, happy handful boobs to her thoroughly palmable, often-plundered seat-meat, the spritely, brunet Chase is as dynamic and even prettier than Ginger Lynn, and absolutely qualifies for Lynn's caliber of XXX superstardom. Doubters can check out either of Chase's torrid forays in *Young Nurses in Lust*—a gurney-bound three-way with Peter North and Gallic flesh-bomb Barbara Doll, followed by Chase and ultra-limber Misty Rain waxing exquisitely lesbianic in a locked laundry room. Young Nurse Olivia, an artificially buxom (though admittedly beautiful) blonde, parts her perfect pussy for Jon Dough, M.D.; Marc Wallace receives a great Rain blowjob and blasts off onto her foot; and Dough does the increasingly cherubic—perhaps even chunky—P. J. Sparxx while clad in a prophylactic. *Young Nurses in Lust*, overall, is a professional operation; Vanessa Chase elevates the proceedings to just short of miraculous. —S. H.

**Nurses:** Magnetic Chase atop North's pole.

## CHERRY POPPERS #7

**Three-Quarters Erect.** Directed by Max Hardcore; starring Sharon, Candi, Jamie, Brooke, Don Fernando and Max Hardcore. Videocassette: Zane.

A Max Hardcore girl has a tough choad to 'ho. The typical gang-bang slut receives less gonadal battery and a lighter sperm glaze from the wands of a dozen studs than a *Cherry Popper* chick gets from mad, muff-mauler Max. Max screws with a twist. Any grudging, unimaginative Neanderthal can stick his prick up the ass of a pretty pussy who's done up in pigtails, bobby socks, saddle shoes, schoolyard panties and glasses to look like a jailbait jizz magnet. Max, however, is singularly inspired to wedge his schlong into those quasi-kindergarten sphincters in a way that turns her snatch inside out for all to see, stands her on her head and delivers a gob of spit directly into her face. *Cherry Poppers #7* is a brilliant two hours of raw animal fucking perpetrated upon small-chested, tiny-cunt lady-children. One broad defies the mold with her silicone and stripper hair, but after Max is done wiping his ass on her tongue, the critical faculty will be too wrung out to care.

—C. S.

**Cherry 7:** Max and maiden, poppin' fresh.

**Mellon 3:** Blonde, beef, balloons.

## MELLON MAN 3

**One-Quarter Erect.** Directed by Bruno Aldente; starring Kimberly Kupps, Nikki Sinn, London, Atlanta Rizzzen, Whitney Wonders, Ian Daniels and Kyle Stone. Videocassette: Avica.

Hard-faced, heavily tattooed trash-fuck Nikki Sinn bends to accept a bone up her shitter in a scene that would constitute the low ebb of most mediocre whack-tapes; in *Mellon Man 3*, Nikki's butt-nailing is the movie's highlight. As with the first two *Mellon Man* botch-jobs, a handful of unenthused hags painfully attempt to shake their hysterically overinflated horror-boobs while a pair of penises poke around in dreary, business-as-fucking-usual fashion. It's no fun at all. Only a quack plastic surgeon who hates the natural female form could find any bite in *Mellon Man 3*; discerning onanists are advised to nibble elsewhere.

# THE BALLAD OF BIG-ASSED LIL AND YUKON PETE

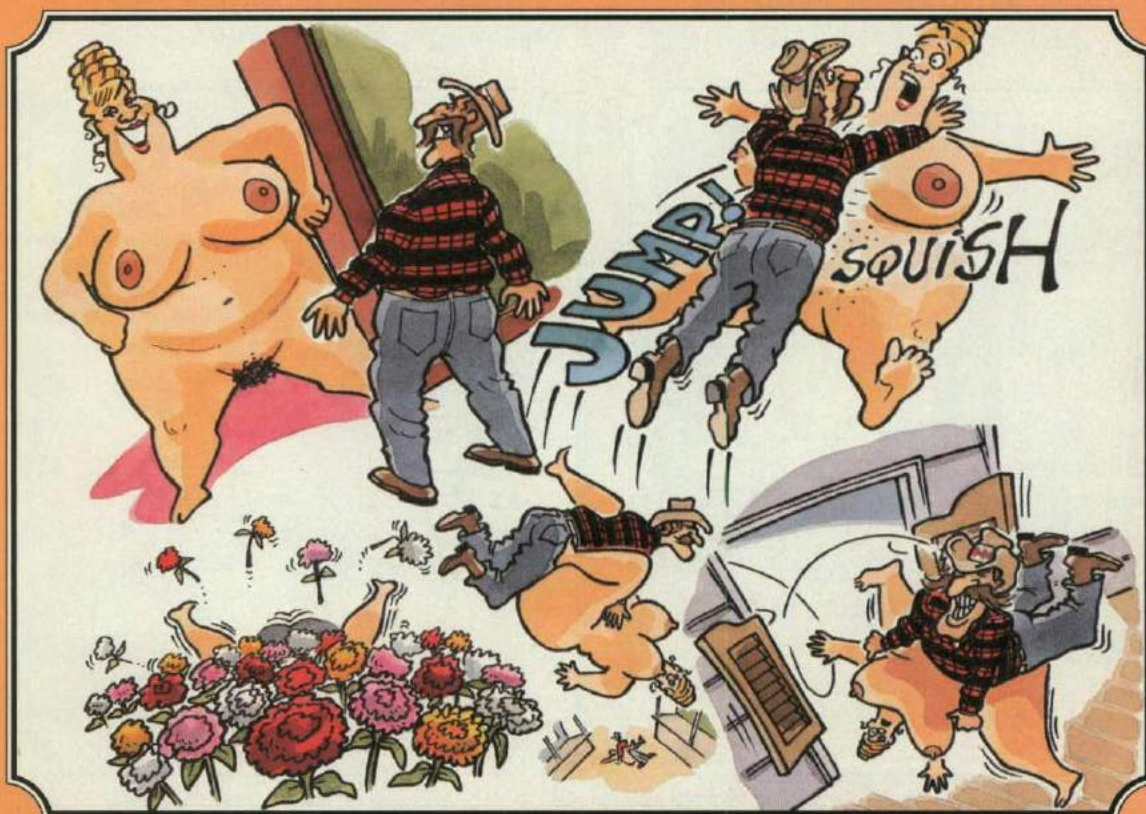

**A WILD, WOOLLY WARBLE OF  
THE WANTON OLD WEST**  
POETRY BY RONALD MOSER/TOONS BY DWAIN TINSLEY

Big-Assed Lil was the top wench in town  
There wasn't a prick that she couldn't ride down  
She'd fuck 'em and wreck 'em and send 'em away  
Bragging, "No man can break me; this whore's here to stay!"

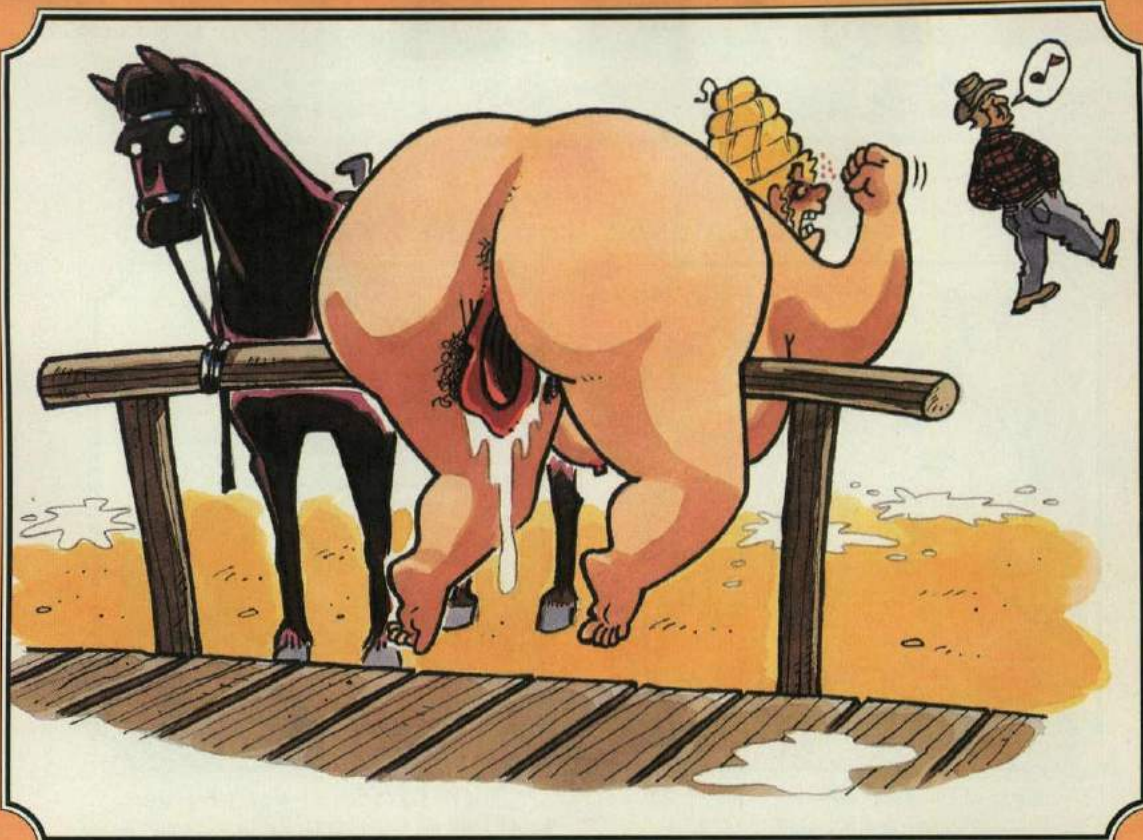

Now old Yukon Pete was a motherless soul  
He shit with the bears and he fucked woodchuck holes  
When Pete caught word of this arrogant lass  
He vowed that he'd take her—by tits, clit or ass.

Pete yelled, "Where's the whore that they call Big-Assed Lil  
Whose pussy, they say, should be licensed to kill?"  
"I'm here!" hollered Lil, as she sauntered toward Pete  
Shooting him daggers, but impressed by his meat.

They fucked right on Main Street, going at it for hours  
They rolled into a garden, uprooting the flowers  
They fucked in the barroom, they fucked at the store  
They fucked until humans can't fuck anymore.

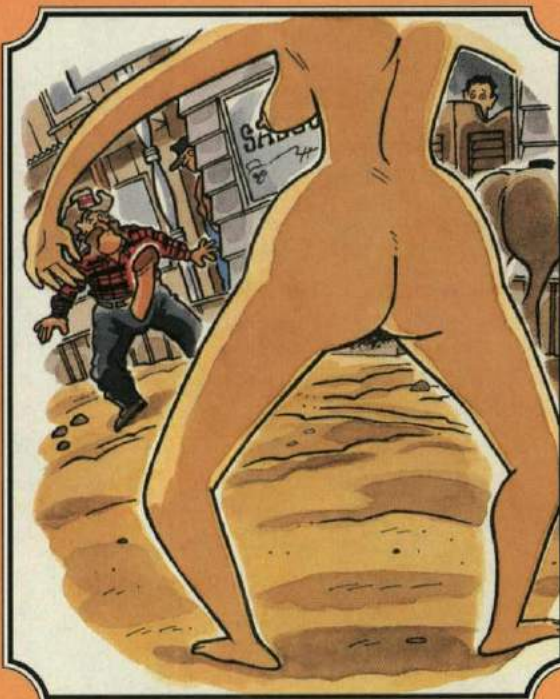

And just when it seemed Big-Assed Lil was to win  
 Pete came back to life, and he sported a grin  
 He stuck Lil again, with a loud Yukon grunt  
 And Lil damn near fainted—Pete busted her cunt!

The victor retreated back into his hills  
 He'd handily beaten the proud Big-Assed Lil  
 But Lil wasn't finished, vowing, "I'll get you, mister!"  
 Then she straggled on home, and she sent for her sister.

Lil's sis was a strumpet known as Too-Tight Twat Tina  
 Her figure was thinner, but her temper was meaner  
 Naked, Miss Too-Tight strode hard into town  
 "Where's Pete?" she demanded. "Bring me that clown!"

Pete rose to the challenge put forth by the slut  
 "Get ready," he told her, "to taste Yukon nut!"  
 "You ruined my sister," said Tina, "and that you will rue,  
 Your balls I will fix so they're forever blue!"

Pete spit in his hand, and he greased up his tool  
Tina rolled onto her back, sneering "Try it, you fool!"

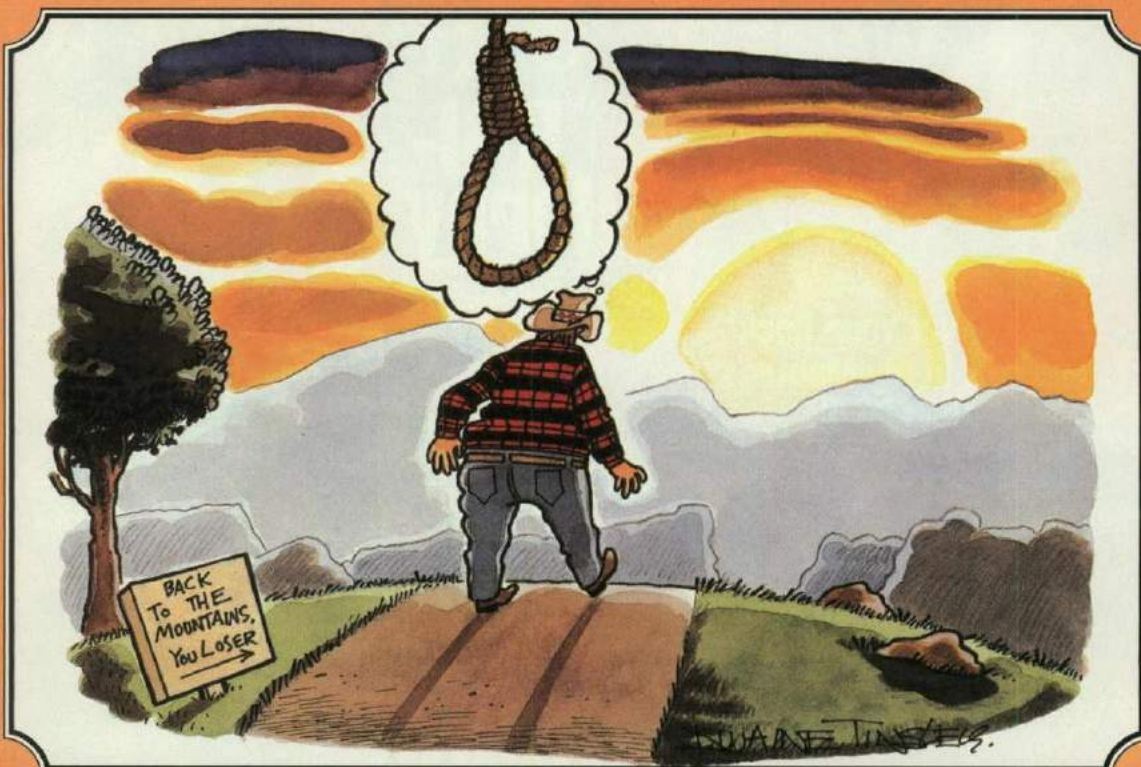

Pete leveled his meat at her cunt with dead aim  
He thrust forward sharply,  
feeling nothing but pain.

Pete lay in the dirt, grasping his sac,  
Moaning and crying, his world going black  
The townspeople gathered, moved by the sight  
"Too-Tight," sighed Pete, "that name fits her right."

Tina laughed at her victim, and opened her thighs  
Reaching into her cooze, she pulled out a surprise  
"Some pussies," said Tina, "carry crabs or the clap,  
but mine is just perfect—to hide a bear trap!"

And so the sun set on our friend Yukon Pete  
Revenge, he found out, isn't always so sweet

The next time you're riled by a whore's boastful rants  
Just think of poor Pete—and keep it in your pants.

# Hot Letters

(continued from page 29)

The ice froze my splooge in mid-stream. The fiery blast instead pumped out in slow, excruciating motion, washing over my body. I couldn't move. I was dead.

prick. I couldn't move. I was dead.

The girl popped my cock ice in her mouth and pulverized the cubes between her perfect teeth.

"Thanks, neighbor," she said. "You'd better go now."

I limped back to my place.

Oh, no! My front door had been jimmed open. Gone were my TV, my stereo, my computer with three-quarters of my novel—even my clothes. Of all the luck!

The next morning I paid a visit to my new neighbor and found that she'd moved the night before. I realized I'd never gotten her name. I thought I saw her getting on a streetcar the other day, wearing a hat that looked exactly like a one-of-a-kind Greek fisherman's cap my father had given me, but I couldn't be sure. It was worth it anyway.

## CIRCLE OF LOVE

My husband knew I was a stripper when we were still just dating. I don't think he minds my job. After all, none of the guys in the audience touches me. I just get them all charged up, then they go home, boner between their legs, to a fast-forward button and a jar of Vaseline. Carl is the only one who actually gets to stick something more than a \$5 bill in my twat.

Anyway, regardless of how Carl feels, I'll never quit this job as long as my tits hold up. First of all, nothing gets me off like a roomful of men mesmerized by my hot little bod, yet powerless to stick their sweaty mitts all over it. Secondly, the job has practical advantages: The flexible hours are perfect while I work toward my master's in psychology, and the money is pretty decent, considering what a piss-poor excuse for a town the club is in. Of course, some of the dancers make additional cash through extracurricular activities. I don't give private performances—normally.

One night, I was shaking my booty for the usual gang of slack-jawed factory workers and cooking up a potent stew between my legs, when a mousy guy with glasses caught my eye. I could tell by his expensive suit and full set of teeth that he hadn't been born and inbred in this podunk town. Four-Eyes was all agog at the sight of my pert, bouncing titties. I thought he would have a stroke when I stood right over his front-row seat and took a rigid, pink nipple into my mouth.

Naturally, he came up to me after the show, but he didn't offer me any 50 bucks for a quick dry whack. All he wanted was to watch me dance—alone—while he

jackd off, then squirted on my jugs. For this he would give me \$500! I couldn't pass that up.

While the last dancer was doing her bit, I led Poindexter into an empty dressing room and shook my boobs at him while he yanked his shrimp dick and his sex-ray eyes burned into my boobs. Even though it hadn't been part of his request, I had to shove a couple of fingers in my throbbing cunt.

That really got Percy going. For such a little guy, he packed a powerful wad. It burst like a water balloon between my tits, splashing my neck and shoulders and streaking my belly and inner thighs. The streams of cum tickled my body like hundreds of sticky fingers, and my pussy added to the viscous flow. He gratefully handed me the easiest 500 bucks I ever made.

I wasn't worried about Carl finding out, because he's always asleep by the time I get home from my shift. I didn't even bother to wash myself off. I was saving the dried splotches of splooge to pick off while I watched Oprah the next day.

As soon as I crawled into bed and turned my back to Carl, he pulled me close and slipped his hard cock between my thighs. *Shit!* I had forgotten that tonight was the monthly "Boys Night In,"

when he and his buddies watch their latest XXX acquisitions on our big-screen TV. My pussy, still sopping from my jerk-off adventure, dripped onto his cock.

"God, honey, you're so wet," he whispered, kissing the back of my cum-crust neck.

He bolted upright.

"Blech! What is that?"

Carl flicked on the light and yanked off my T-shirt. His dick slowly deflated as he stared narrow-eyed at the trail of jizz winding down my belly. I had no choice but to tell him what I'd done, quickly followed by a list of what \$500 could buy. He was ominously silent.

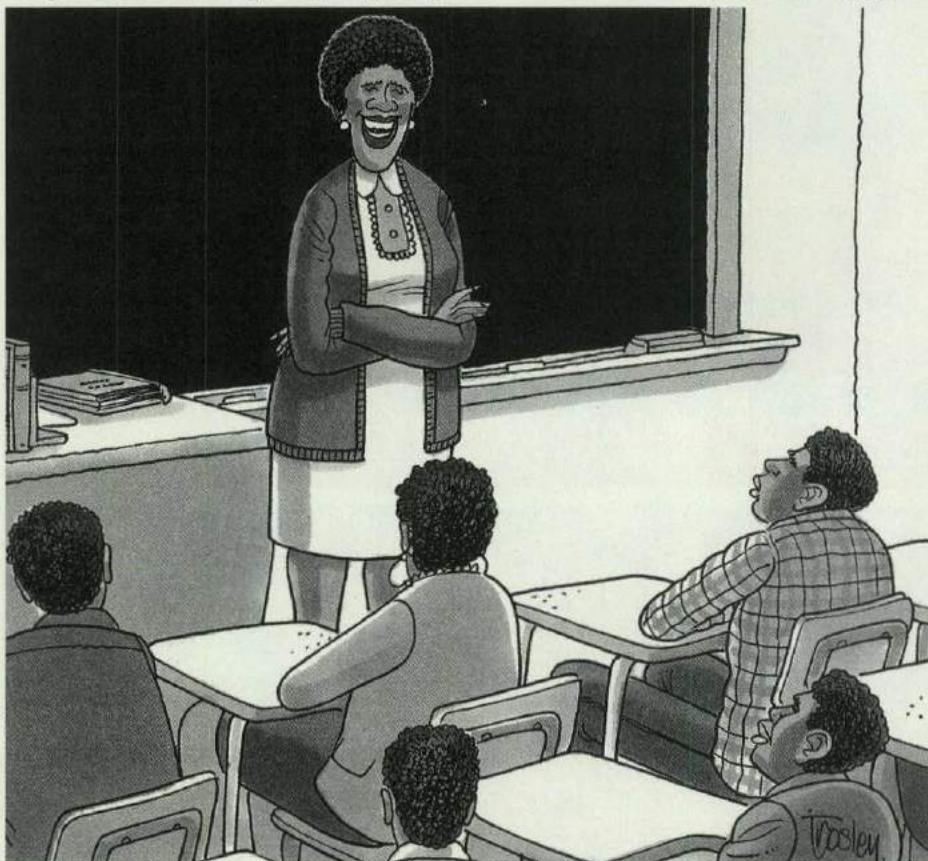

"I didn't even touch him!" I protested.

"I know, honey," he replied, expressionless. "I'm not angry." He turned over and went to sleep.

When Carl got home from work the next evening, he seemed okay. Later that night, he got a little passionate and tied me to the bed, which isn't unusual. But instead of rubbing me down with honey and yogurt, he went into the den, where I heard him talking on the phone. I fell asleep waiting for him to return.

When I woke up, 12 of his friends were in the bedroom, each with semi-hard cock in hand. So, Carl had been angry after all.

# Hot Letters

Without a word, he straddled my chest and fucked my mouth with his red prick. I felt his ass cheeks tense up against my tits, and he yanked his dick out, spraying my face with sperm.

(continued from page 47)

I pulled on my wrist restraints, but only made them tighter. I have to admit I was frightened. I've fucked two or three dudes at once, but 12! I wouldn't be able to sit down for a week.

But not one of the guys made a move toward me. They just stood around the bed drinking in every inch of my pink, naked flesh and stroking their rapidly swelling pricks. My snatch got all hot and tingly. This was better than dancing—I didn't even have to move. Although I wished I could jam a finger or two into my soggy hole. *Where is my loving husband?* I thought, craning my head. There he stood in the corner, holding a videocamera.

"You like cum so much," he sneered. "Have your fill, slut."

That was my punishment? Well, never look a gift horse in the mouth. I'd better put on a show, or the whole deal would be off.

"No, no," I cried, pretending to struggle—and conveniently swaying my hips provocatively and thrusting my pussy up. "This isn't funny, Carl."

The stroking around me grew more frenzied, and a couple of the guys looked about ready to pop.

"Don't get any semen on my breasts," I begged, swinging my boobs around to create an enticing target.

The first comer moaned and let loose with a chunk of choad that splattered against my left breast and dripped into my armpit. Wad number two followed close behind, hitting me right below the rib cage.

"That's enough!" I said dramatically.

I was squirming in earnest now—my cunt was on fire. One by one the circle jerkers blew their loads until I was plastered with dick grease. Splooge laced my hair and trickled between my toes and down my thighs. I humped my cunt up and caught a blast of ball juice right between the lips, where the jism mixed with my own gooey fluid. I smelled like the men's room at the club.

Finally, only Carl's friend Ron was left. He moved in closer to my head, wielding a nine-inch rod and squeezing the biggest set of balls I have ever seen on a two-legged animal.

One of Carl's work buddies piped up, "Get her in the face." Soon the whole group was clapping and chanting, "Make her swallow, make her swallow!"

Spurred on by the enthusiasm of his friends, Ron whipped his shaft until his hand was a blur and shot a monster load into my open mouth. I gulped down the sweet, hot cum, making sure to rub some on my lips for added effect. The crowd

whistled and cheered, and I went as limp as their spent cocks.

As the guys filed out, I lay basking in the glow of my spunk bath. The drying jizz pulled at my flesh. My skin sure would be soft tomorrow.

Carl put the camera down and came over to the bed. He looked mighty pleased with himself. Without a word, he straddled my chest and fucked my mouth with his red prick. I felt his ass cheeks tense up against my tits, and he yanked his dick out, spraying my face with sperm.

"You can keep stripping," he panted, "but no extras. And you're going to watch this videotape every day as a reminder."

"Thank you, honey," I said, demurely licking a droplet of splooge off the tip of my nose.

I'll be sure not to wash next time either.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

# Getting Off Online

Sex on the Internet by Al Hazrad

Denver, Colorado: Glen and Carol (he, muscular and mustached; she, big-breasted and blond) are ready. They are on their bed naked, and Glen's dick is hard enough to cut glass. They stare at the computer terminal perched on the desk beside their bed. A pretty French girl with pouty lips and pixie-cut black hair walks on-screen wearing nothing but white thong panties.

"Sorry," she announces to Glen's terminal, "Claude eez late as usual." She seems to peek out of the computer screen. "Ah, Glen! I see you are ready. Shall we start weethout Claude?"

"Sure, Sylvie," Glen grins at the video camera atop his PC. "What do you have in mind?"

"I would love to see Carol suck your preek like zee last time, and meanwhile I will play weeth zis." She whips a big fat dildo from behind her back, clicks it on and brandishes it proudly.

Carol gets on her elbows and knees and sucks Glen's cock with noisy enthusiasm. But almost immediately Sylvie orders her to stop and scoot around. She makes Glen adjust his video cam so she can see the action better. She also demands that he raise the mic level—she wants to hear every slurp of this blowjob that she is orchestrating from halfway around the world.

With Carol and Glen in place, Sylvie jerks the crotch of her thong aside and applies the humming robo-dick to

her clit. Her video cam is set atop her computer terminal too; so as she and Glen watch their separate screens, they are also staring into each other's eyes. Despite the thousands of miles that separate them, each clearly observes every nuance of the other's feelings. As they get closer to orgasm, they hold and release, hold and release, so as to come together.

"Oooh—now, now! Come on zat girl's face!" Sylvie finally squeals. Carol pops Glen's dick out of her mouth, and Glen paints her lips and cheeks with spunk as Sylvie grinds the dildo against her clit and comes with a mega-biting shriek.

"Same time next week?" pants Glen. Sylvie nods blissfully, and the screen goes black.

The above scene may sound like "Jackin' Off With the Jetsons," but the future is already here. Anyone with access to a personal computer, a modem and an increasingly easy-to-obtain Internet connection is well on his or her way to the steamy cyberworld of multifaceted digital erotica—up to and including software that can turn a computer into a two-way audio/video machine.

The Internet started in 1966, when researchers at the U.S. Department of Defense's Advanced Research Projects Agency (ARPA) networked their computers so machines at remote sites could share data and work together, lessening their vulnerability to nuclear attack. Soon, non-military organizations—universities, libraries, research groups and the like—began using this same concept in setting up their own networks. For speed and convenience, these groups eventually linked with the ARPA net to form what became known as the Internet.

By 1986, there were more than 5,000 computers swapping data on the Internet. By 1989, there were 100,000. And by this time last year, 2.2 million computers were sharing information. The Internet is the beginning of what was once just a weird sci-fi concept: a world brain.

The Internet is like most brains—it spends a lot of time thinking about fucking. Consider "Veronica," an Internet data search and indexing service that helps users find what they want in the increasing info-clutter. According to a *USA Today* survey in February, users accessed Veronica a total of 214,189 times over a ten-day period earlier this year. The most requested topic was "sex," which was called up twice as often as the next-nearest topic. The next-nearest topic was—"erotica." Together, these subjects were accessed 450% more often than any other.

Cybersleaze lurks in scores of nooks and crannies on the Internet. A casual surfing of the Net will reveal sexware offered for sale—from kinky costumes and furniture to the digital equivalent (improvement, some might say) of phone sex. One online talk service, Virtual Connections, offers real-time video on the Net stroker's computer terminal so he can see the live models with whom he types or phone-talks.

Commercial sex on the Net is relatively new, but people have been using the Net for virtual verbal vice for

# And Still the World Did Not End!

Menstrual-hole Courtney Love and fishlip unfunnylady Sandra Bernhard converged like the forces of evil and ugly while defiling an Irving Plaza AIDS gala in New York City last February 16.

The monolithic negative impact of Love combusting with Bernhard created a cosmic vortex commensurate to the nightmare charge of a black hole the size of two universes—and still the earth did not implode!

We at HUSTLER take this incident of awe-inspiring resilience on the part of our planet to mean that life is, after all, indomitable. Atomic bombs, ozone diminishment, the terrors of germ warfare and natural disaster, a massive comet streaking through space on a collision course with New York City's Irving Plaza on February 16, 1995—none carries the apocalyptic potential of Courtney Love pressing the flesh of Sandra Bernhard.

years. Log onto the Internet Relay Chat system (IRC), and up will pop hundreds of channels, covering every topic imaginable, on which people are "talking"; that is, typing out their communications in real time. The channel names are usually descriptive of the topics under discussion—and on channels such as "Jack Off," "High Heels" and "Teen Sex," the chat sessions quickly turn into carnal confessionals. Since the chatters are invisible typists, they can say whatever they want, be whom and what they want to be. It's a big masquerade, with all the freedom to fantasize that digital anonymity offers.

Not all IRC chat rooms are cybernetic fuck-fests; in fact, the overwhelming majority are not. But even mainstream chat sessions can and do serve as digital pickup bars. Couples meet in these open forums and then progress to further, more intimate communication via "Talk"—two-way, split-screen, private computer-to-computer contact—or E-mail.

Some Net users even set up real-time, in-the-flesh meetings. Naturally there are countless stories of people launching torrid affairs—and even marrying—after meeting on the Internet; but cautionary tales about real-life encounters are numerous too.

Take the sad case of Bill, a thirtyish New Jerseyite. Bill is a pleasant-looking chap, but something of a professional bachelor, opinionated and set in his ways. He recently started a relationship with a woman to whom he took a cybernetic shine in a perfectly genteel chat room devoted to thirtysomething singles living in the Northeast.

Bill and Amy did everything right before meeting in the flesh. Besides communicating through Talk and E-mail, they conversed on that old dinosaur, the telephone, to make sure that they liked the sound of each other's voice. They exchanged recent photos to make sure that they found each other's face pleasing to gaze upon. Finally, when everything seemed right, they met for a romantic dinner at Amy's place.

As soon as she opened the door, Bill discovered a small fact about Amy that had eluded him until then. Amy smoked cigarettes. In fact, she reeked of cigarettes, and her entire lovely apartment reeked of them too. The smell of cigarette smoke makes Bill want to puke.

But after all their weeks of Internetting, after all they'd gone through to arrange their meeting, after scarfing down the lovely dinner Amy had prepared and most of the Chardonnay Bill had brought, things were too far along for him to not kiss her. And when Amy began pulling his clothes off along with her own, things were certainly too far gone for him to be so utterly rude and boorish as to not fuck her. Bill describes the ensuing groin-clanking with characteristic lack of charity:

"At the first possible moment, I flipped her

over on her belly and fucked her doggy-style. That way I didn't have to smell her hair, which stunk from cigarette smoke, and I didn't have to kiss her on the goddamn mouth. We were fucking with the lights on, and she had this really furry butthole. You know, it's hard to get a hairy asshole clean, but let me tell you, it smelled a hell of a lot better than her breath."

Cyberswingers beware: One thing the Internet does not provide, not now, or even in the foreseeable future, is Smell-O-Rama.

Additional pockets of prurience on the Net are provided by Usenet news groups, which are forums for the free interchange of news and ideas on given topics. People go to the news groups to read the latest, and to post related information of their own on "bulletin boards." The ones listed under the "alt" (for "alternative") heading tend to be the oddest, focusing on a variety of off-center subjects. Of the 16,000 news groups on the Internet, the one called "alt.binaries.pictures.erotica" is the ninth most widely read, according to the *Wall Street Journal*, and fourth in the number of messages and images that users post. The University of Delft in the Netherlands reported that Net users last year accessed the school's Digital Picture Archive—which contains a world-class collection of hard-core photos—at a rate of more than 30,000 images a day.

"Alt.binaries" news groups are best described as offering "use at your own risk" downloadable materials. Among the tasty items to be found are "alt.binaries.pictures.erotica.orientals," which a Net-user guide describes as "copyright violations featuring Asians," and "alt.binaries.pictures.tasteless," about which that same guide simply says, "Eccchh, that one is sick." Moving along, one finds "alt.sex.bestiality.barney," "alt.sex.bondage" and "alt.sex.amputee."

One European Net user posted a request in a sex-fashion news group for anyone to E-mail him stories about fur coats. In one of the more chilling replies he received, a gentleman shared the information that when he was a young lad, his wealthy parents would throw cocktail parties at which many young matrons would arrive wearing mink coats. These coats would be piled on a bed in the darkened master bedroom. The man recalled that he would watch for the mink of a certain particularly attractive woman to be placed there. Slithering into the room, stiff cock in hand, he would throw himself onto the fur still warmed by her body and saturated with her delicious perfume, bunch the mink into what he described as "a huge, soft, fur-pussy, and wrap my cock in it and fuck the motherfucking shit out of it and come all over it...." Afterward, he'd wipe the fur clean with a damp washcloth that he brought along,

"I must have been crazy to go on this trip with you!" fumes Lisa. "How could you forget to fill the tank?"

"It could be days before someone comes by!" cries Lisa. "How will we pass the time? What will I do for food?"

Resourceful Rick holds the answer to both of those questions.

Coping and Conquering When the Girls Refuse to Play

Pussy will get a man through times of no money better than money will get

# Women :

him through times of no pussy. What, then, will pull the quim-jonesing stud through a snatch lull? Read on.

# Without Women

He says from the luxury of a snatch-rich present-day time:

"Finally, I came to believe that I would never get laid again, and I simply quit trying. That was life's darkest moment."

Something about life has overwhelmed Mitchell K. A derivatives trader who worked up to Wall Street from selling shoes in suburban Philadelphia, Mitchell is a picture-book definition of savvy. But the man is baffled. Almost handsome enough to get by on looks alone, Mitchell is also bright, funny and sensitive; he's a good young guy with a full head of hair. He's making more money than he ever thought he'd see in his life, and he feels like a loser.

"Trouble with the ladies?" inquires an intrusive cab driver, taking one glower at Mitchell in the rearview mirror.

Mitchell sighs again. "Just drive," he pleads, wondering, How does this hairy foreign bastard know? Have the bitches clawed me so deeply that even some urine-sweating wog can pin me for the snatch-deprived, cunt-struck castrato I have become? I've got to do something before the whole world finds out!

Mitchell has always been lucky with women: They go out with him if he asks, they suck his dick, they fall in love, and they get lost when he indicates that he's done with them. Lately, however, Mitchell's been more lucky than ever before—bad lucky.

The waitress has a bit too much mustache, and the sweat-mark tide lines be-

neath her arms indicate that she should have changed her uniform two days ago. Still, where there's twat, there's hope, misplaced though hope may be.

In the past 48 hours alone, Mitchell has been shot down by a meter maid as she ticketed his car, the receptionist at a rival firm, his secretary's daffy cousin, a chick instructor he'd ogled at his health club, a female job applicant, and a sweet little Oriental from the corner massage parlor. His pride, his confidence and his ranking as a successful heterosexual are all gone. What's left to lose?

He asks the waitress if she likes jazz. She spurns Mitchell's tip, sliding the offensive pile of greenbacks across the table and into his lap, then runs off to wash all contact with him from her hands.

"Loser," observes a wall-eyed, club-foot bus boy. His jungle-rotted nose hole clenching in distaste, the menial grips a mop, regarding Mitchell with a mixture of revulsion and disgust.

Mitchell, stomach dropping out, is suddenly too sick to disagree, and he fears that his slide is only beginning.

Mitchell is extraordinarily lucky to have survived his female-deprivation crisis without the intervention of experts. "It just got worse and worse," he says in ret-

spect, from the luxury of a snatch-rich present-day time. "Finally, I came to believe that I would never get laid again, and I simply quit trying. That was life's darkest moment."

No man who's suffering a sudden and extended pussy shortage needs to wallow in Mitchell's black despair. The elemental fact of love is that every male, sooner or later, hits a losing streak. This is a lull. It is a dry spell, and it is nothing to be ashamed of. It happens to the best of us, and it will not last forever.

Mitchell, his perception tempered by the wisdom of experience, sees the light: "Giving up the chase for tail was what got me, eventually, back into the race. I'd set up a vicious cycle. Each new refusal increased my desperation. Chicks smell desperation like stink. To continue pursuing rejection would only increase my harm. I was better off leaving it alone. Today, I realize that if I had hit on just one more snatch, and whiffed, it might never have come my way again."

The first step in ending a strikeouts streak is to alter the batter's stance. A player spends extra time in the on-deck circle, swiping his bat in endless practice strokes. No matter how long he stands apart, with his wood in his hands, the slumping slugger must always remember one thing: He is still in the game.

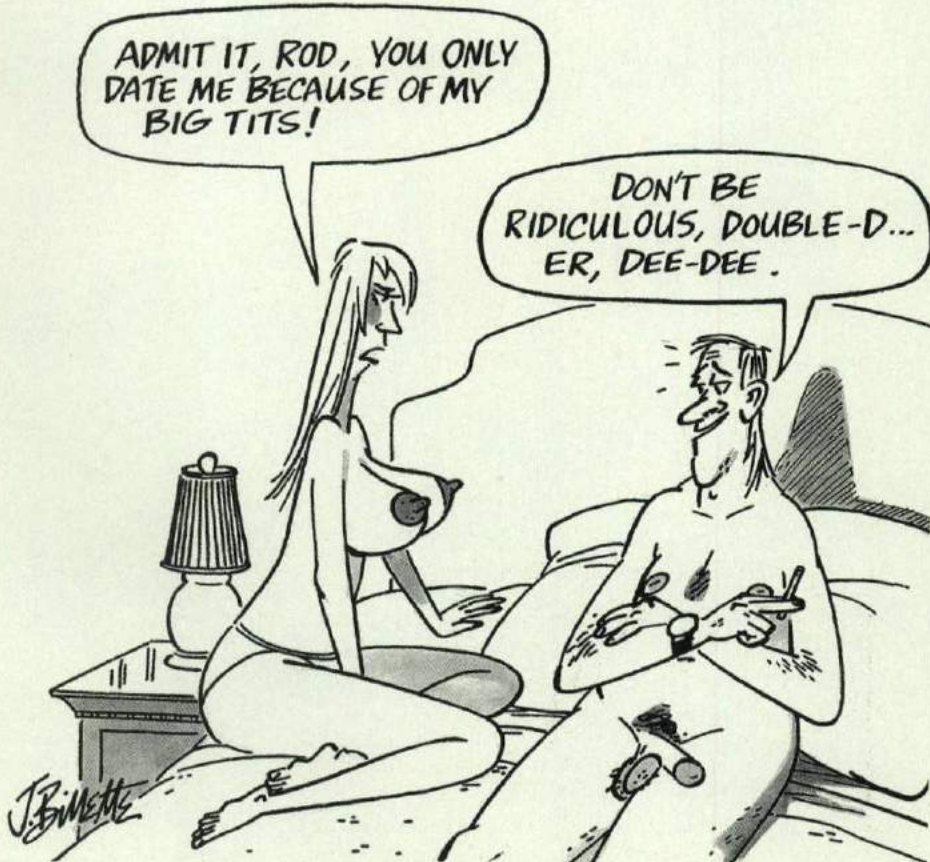

## USE PUSSY-FREE WEEKS WISELY

The comfort and joy of feminine ministrations will never be far below the surface consciousness of the man who is not getting any. However, he should find something better to do all day than sit around moping about the elusive quim.

**Catch Up on Neglected Reading:** Nothing better cultivates man's higher nature than a good book, which explains why no one bothers to read in this day and age. Still, if a guy's not getting any action below the belt, he might as well divert his upper regions.

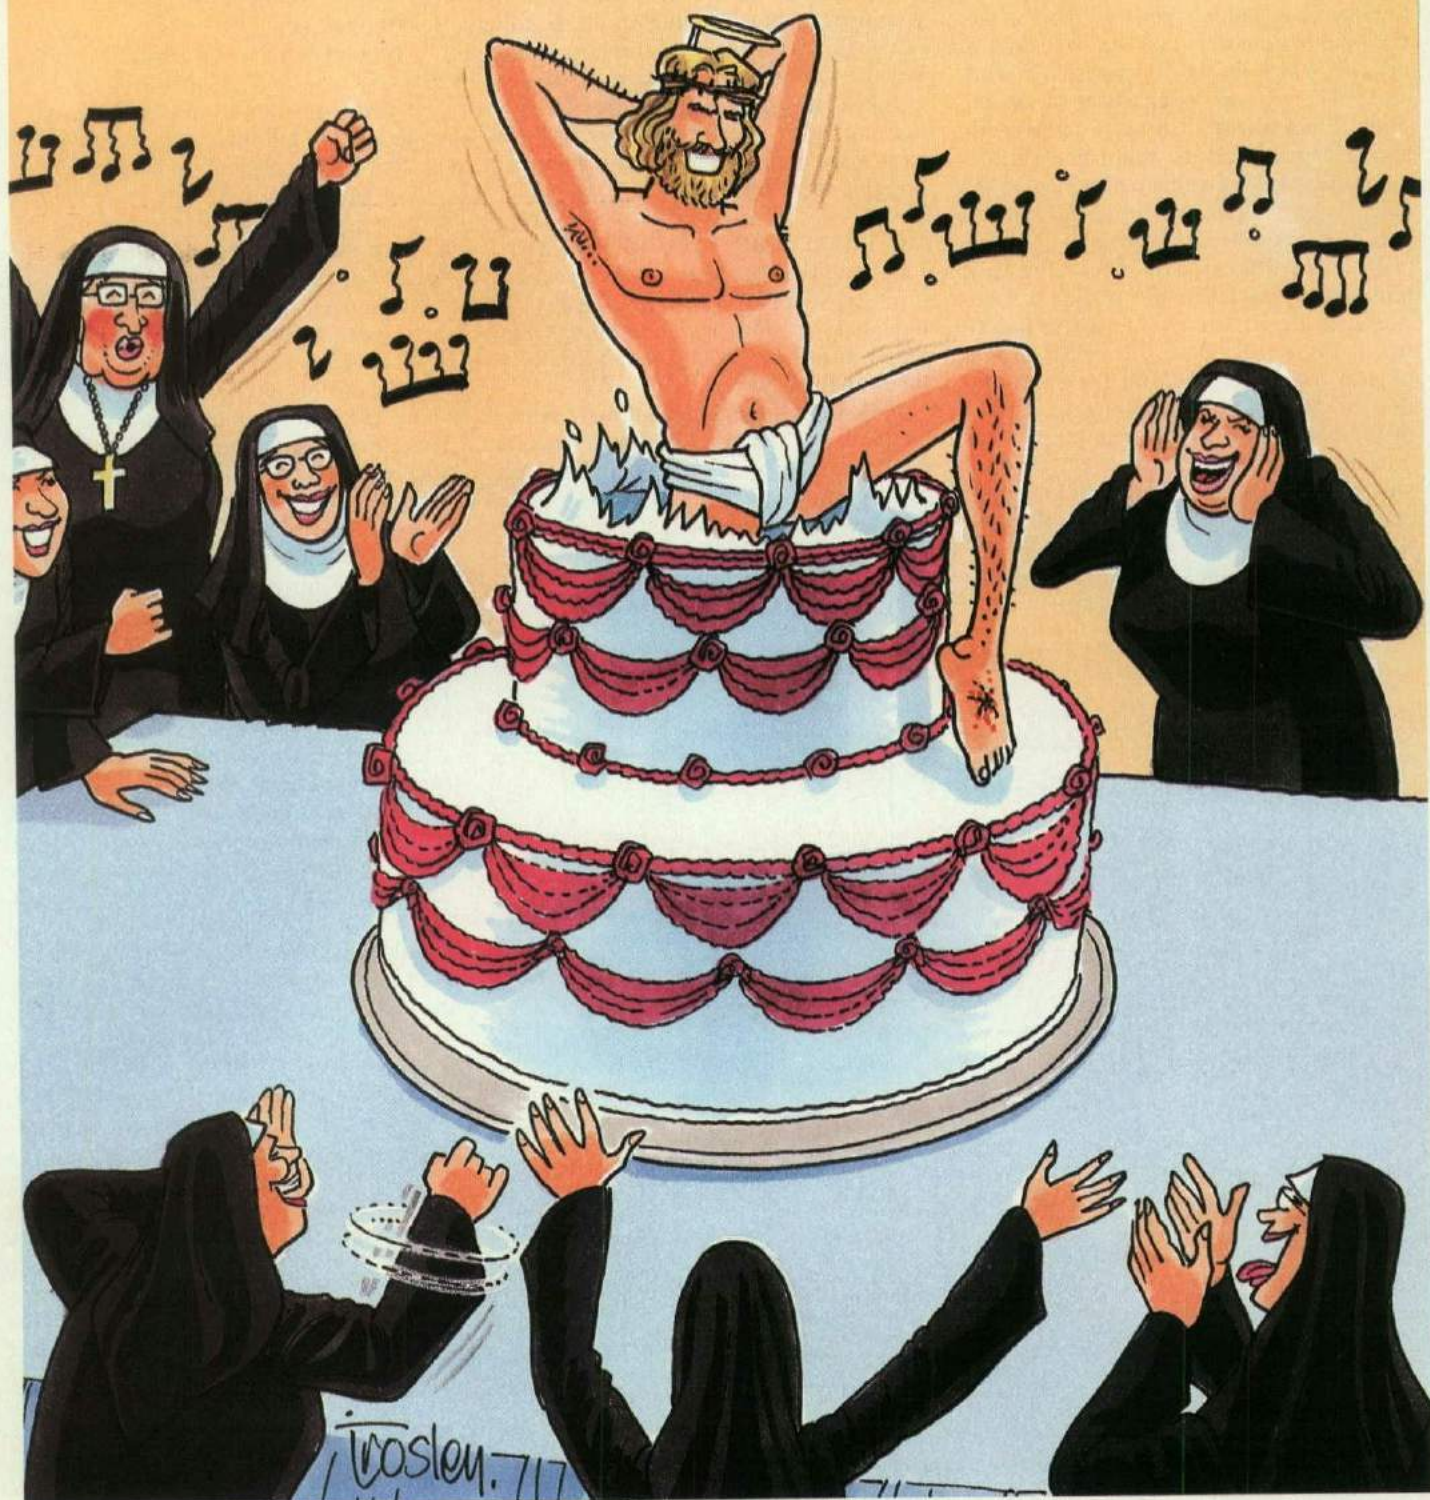

Be careful when selecting reading material. One lust-lorn bookworm slit his wrists with his library card after successively devouring Ernest Hemingway's *Men Without Women*, *The Heart Is a Lonely Hunter* by Carson McCullers and Gabriel Garcia Marquez's *One Hundred Years of Solitude*. Stick to vital, life-affirming literature, such as the *Racing Form* and this magazine. For a long-term perspective of the evil that women and other people do, consult the Bible.

**Further Career Advancement:** The primary cause of workplace apathy among healthy males is off-hours fraternization with the opposing gender. Fa-

Make a list of Fido's primary attributes: Loyalty, self-reliance, doesn't cost a lot, won't leave tampons floating in the toilet bowl. Look for these characteristics in female companions.

tigued from fucking all night, daydreaming about doing it again, what real guy can think about business? A snatch hiatus is an opportunity to pick up on-the-job slack and reverse a declining career path.

Hector Cabrone values his *panocha caliente* as much as the rest of us, but he got rich by losing it. "I was a simple janitor," the immensely wealthy entrepreneur recalls, "but up to my *huevos* in *putas*. Suddenly, I couldn't get my *chorizo* wet for love or *tamales*. For the first time in my life, I was awake for my whole work shift. The *trabajo* is easier than people think. I had plenty of time to brainstorm, to conceptualize and to optimize cash-flow mechanics. I even sold small things on the side. Today I own the building where I used to sneak a *siesta* in the toilets."

**Become Physically Fit:** One evil temptation is to let the flesh slide just because no broad shows interest in touching it. Do not succumb. New rolls of flab only worsen the potential for sloth and despair. Vigorous and prolonged exertion of the body, on the other hand, promotes a healthy self-regard, sweats off the tension of compounded sexual frustration, and imparts an endurance upon the athlete that will prove stupendously climactic when his luck turns and amorous physical activities pick up again.

## Spend Quality Time With the Dog:

It's easy, when caught up in the never-ending, ever-quickening treadmill of pussy surplus, for a man to neglect the responsibilities of his more important relationships, such as the one with his canine companion. The old mutt isn't known as man's best friend for nothing.

Make a list of Fido's primary attributes: Loyalty, self-reliance, doesn't cost a lot, won't leave tampons floating in the toilet bowl. Look for these exemplary characteristics in future female companions.

Since he's such a great role model, let the dog sleep in the bed, now that some twat's not there complaining about him hogging the covers.

## DO THINGS BROADS WON'T DO

Entanglements with women generally limit the scope of a man's activities. Unlike anal sex, there are some things a guy longs to inflict that the female flatly refuses to abide.

**Enjoy a Cigar at Breakfast:** And in the process, partake of what is so often derisively referred to as "male bonding." Take consolation from the travails other men are having with broads, and squeeze vicarious pleasure from successful fellows of the penile fraternity.

One recent morning, a pair of stag

males were sitting around a kitchen nook, smoking cigars, when they were joined by a third lone wolf. As he fired his stogie, number three placed a call to a fourth buddy and let the conversation boom on speaker phone.

"Travis, what are you doing?"

"I got this chick here. We been up all night, and now I'm pissing on her 'cause the sun's coming up, and I can't stand fucking her again."

"Not in my hair!" squeals Travis's girl.

Such high communal fellowship as rings out around this kitchen table cannot be found by going out on a date.

**Go to Monster-Truck Races:** Sporting events are male sanctuaries. The chump attached to a female is actually looked down upon at such gatherings.

Organized monster-truck races are the best sporting event for single guys. Shallow, surface-value twats don't arrive in bunches to drool over a QB cutie or estimate the penis length of a 6-11 power forward. In fact, the monster-truck motors are so loud that any women present won't even attempt to talk.

## Perfect the Art of Masturbation:

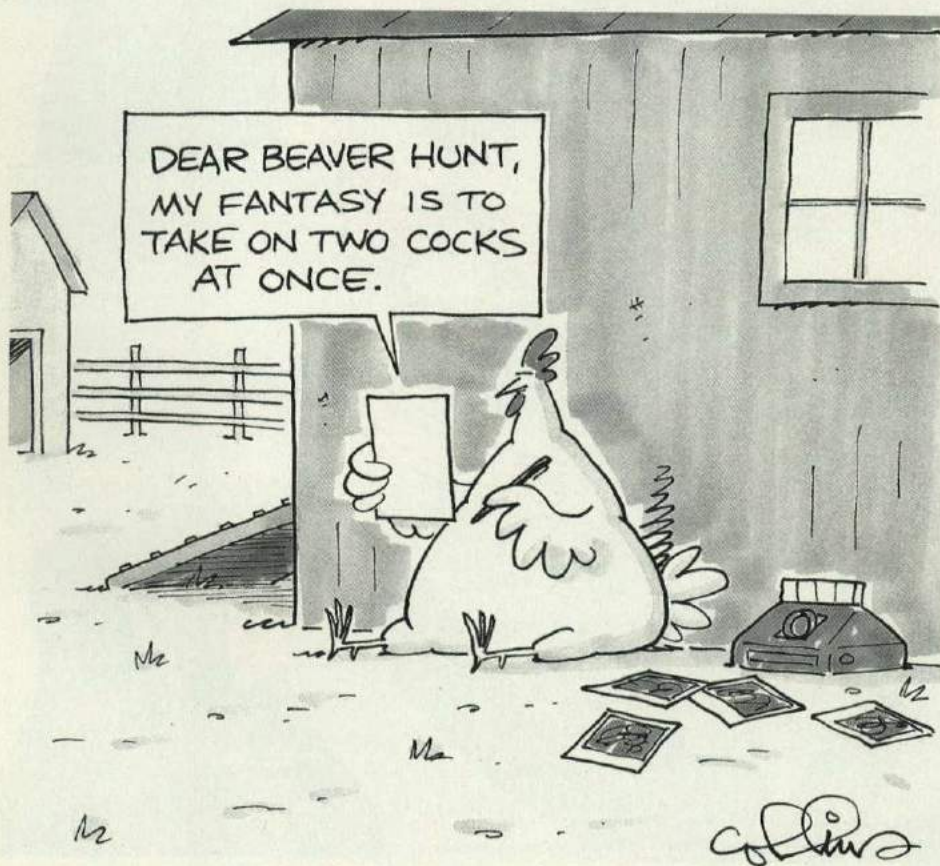

Lots of chicks say they get off watching a guy yank his rod, but very few of these women are willing to participate in the degree or style that a master stroker requires. Once asked to crawl around on all fours, licking her male friend's splooge from a dog dish on the floor, most open-minded females decide they'd rather get fucked, and that he should too.

The highest levels of onanistic bliss are scaled while alone; that's why it's called *self-gratification*. Going solo can include the presence of other human beings, provided these other humans are professional and dehumanized. Peep-show attendance, both hands furiously clamped and pumping at the groin, is a perfectly noble pursuit, but be wary of strip clubs.

Generally, flogging the private is frowned upon in exotic dance establishments. In the past, perhaps a few weeks back, when a guy was in the glory days of his sexual prime, he might saunter into a strip club and snag a tight, nasty, ass-twitching date. Now, lean libido times have fallen; the best the strip consumer can hope is to limp home, alone, sopping and soused, burping and jerking, with nothing coming from either end, dry heaving from dick and throat.

## MORE THINGS NOT TO DO

Sometimes the best course of action is to avoid baneful activities. Any idiot

She is leaning forward, resting her right hand on a large, smooth, reddish-brown object, possibly a piece of furniture. In the background, a golden Egyptian statue with a red headdress is visible. The overall lighting is warm and dramatic.

# OTING HER HORN

"My mom made me take clarinet lessons when I was growing up," recalls Juli, frowning. "I was constantly ditching after-school practice. I wanted to be hanging out with boys!"

"But my music lessons sure came in handy when I got older," she admits. "The first time I sucked cock, I bit a little too hard and found myself with a quivering worm on my tongue. I realized then that a penis is like a musical instrument: Any girl can put a clarinet in her mouth and get a noise out of it, but to make the noise sound good takes real expertise."

"Well, I worked hard to hone my skills. I learned how to delicately nibble and scrape my teeth along the tender skin instead of chomping, and to alternate between lightly running my fingers along the prick and squeezing the base until the head feels as though it's about to explode in my mouth. And, of course, it's important to not have a lazy tongue!"

"Sucking cock is an art that takes practice to make perfect—and that's one practice I never skip."

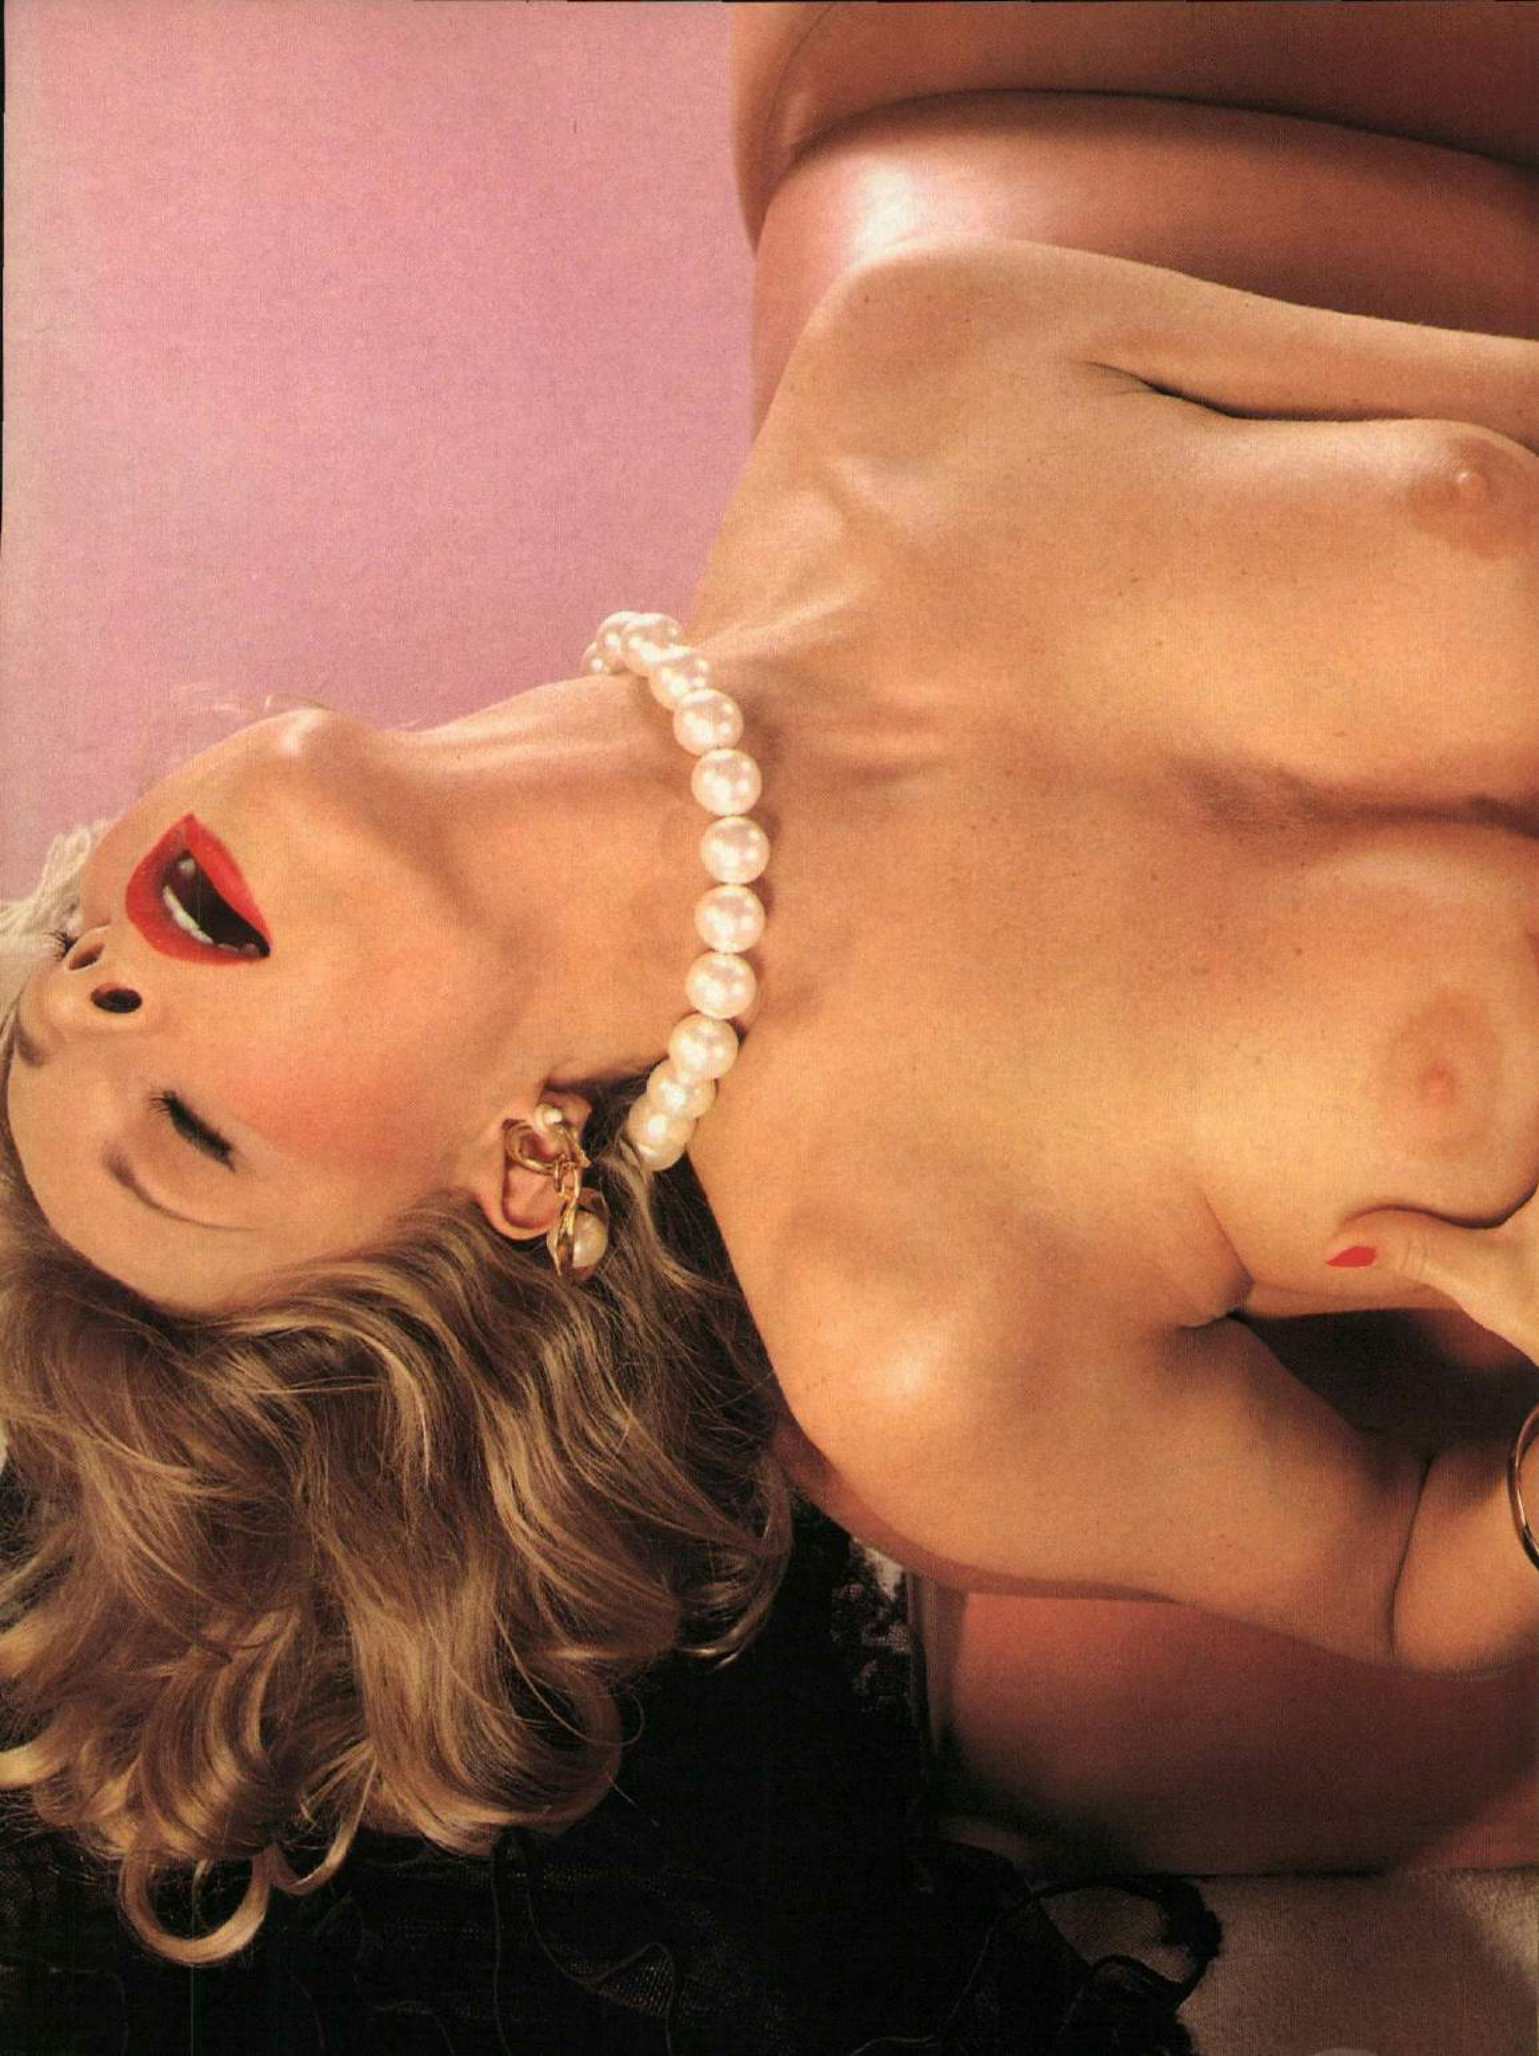

# Without Women

(continued from page 72)

**Get Bombed:** Sullen drunkenness has much to recommend

it. Surly, ethanol-fueled revelry is generally frowned upon by the fair sex. Overindulge wholeheartedly.

should know enough to stay in out of the pain, but very few of us actually do.

**Don't Go Alone Where It Hurts:** Obviously, do not attend movie theaters alone on date night. Avoid any coupling places where the single male stands out like a leering, needy leper.

Furthermore, that particular laundromat where so many brief encounters were initiated, bars and eateries that were the arenas of bygone conquests, the old junior-high school where everything always went so cool; stay away until the low-fish tide shifts back. It's humiliating to be shut out on the home court.

Finally, under no circumstances is it justifiable to venture into a former in-amorata's backyard.

**Do Not Call Old Phone Numbers:** A woman who has been splooged and spurned has nothing to gain from being civil to the creep who greased her and split. She will tell him precisely why he is less than human, citing specifics that he has wholly forgotten. The sensitive, vulnerable male, reduced to the very condition that she has always wanted him in, will believe every word of her hate, and he'll never get out of the house again.

**Do Not Watch TV Alone:** Sitting in the empty cathode glow, with an audience of none, talking back to the tube

and scratching at living things in his own underwear, a person can flip out and feel alienated, distraught, defeated. Especially dangerous are MTV and commercials for beer. Exquisite women lavishing come-sodomize-me eyes upon jabber-rhyming felons and faggot-tripe Hollywood types only reinforce harmful stereotypes about losers and winners and the mercenary nature of female affections. No one needs that negativity.

It's better to drive down to the mall and gawk at shoplifters than to rot in front of the lonesome video screen. Broads do not come and find the mook ensconced at home alone. He can wait until doom's day, and all he will reap is doom.

## USE SURPLUS DOLLARS WISELY

Popularity with women can cost a lot, much of it in money. Now that no bottomless cash hole is sucking down funds, wield the extra financial clout to good advantage.

**Get Bombed:** Sullen drunkenness has much to recommend it. Surly, ethanol-fueled revelry is generally frowned upon by the fair sex. Overindulge wholeheartedly. A quality bender, lasting a week or two, will show the female race precisely who's in charge.

**Buy Costly Narcotics and Don't**

**Share:** After ten in a row, hangovers are such bummer. Luckily, freelance pharmacists have concocted a kit of herbs, powders and potions that eliminate the throbbing nausea of alcohol trauma. It sure is fun to go hog vial, and not dole out precious portions to some girl who's more interested in dust than dick. Be cautioned: Narcotics, by definition, are habit forming in a way that rivals even ladies for deleterious effect.

**Make Investments:** Ever think about the future? Alone and old, can't even take a crap on purpose anymore. No one is there to help or share the load. No one to love. No one to be loved by. Ever see an old bastard who can't even feed himself or wipe his own ass? Better put some money away for a senile day.

**Spruce Up the Pad:** Buy a couch, a real, new couch. Get some sheets that have never been torn. Upgrade the home-entertainment system. Hire someone to clean the place with a thoroughness that only a professional can apply. A happy home makes for a happy hetero.

**Expand the Wardrobe:** Feeling a little better after rollicking on that binge, allotting for retirement and sprucing the personal environment? Then look a little better. Buy some clothes. New shoes may not make the man, but they're the first thing a girl looks at when she meets him. What is she thinking while she ponders the footwear? *Yes, or no?*

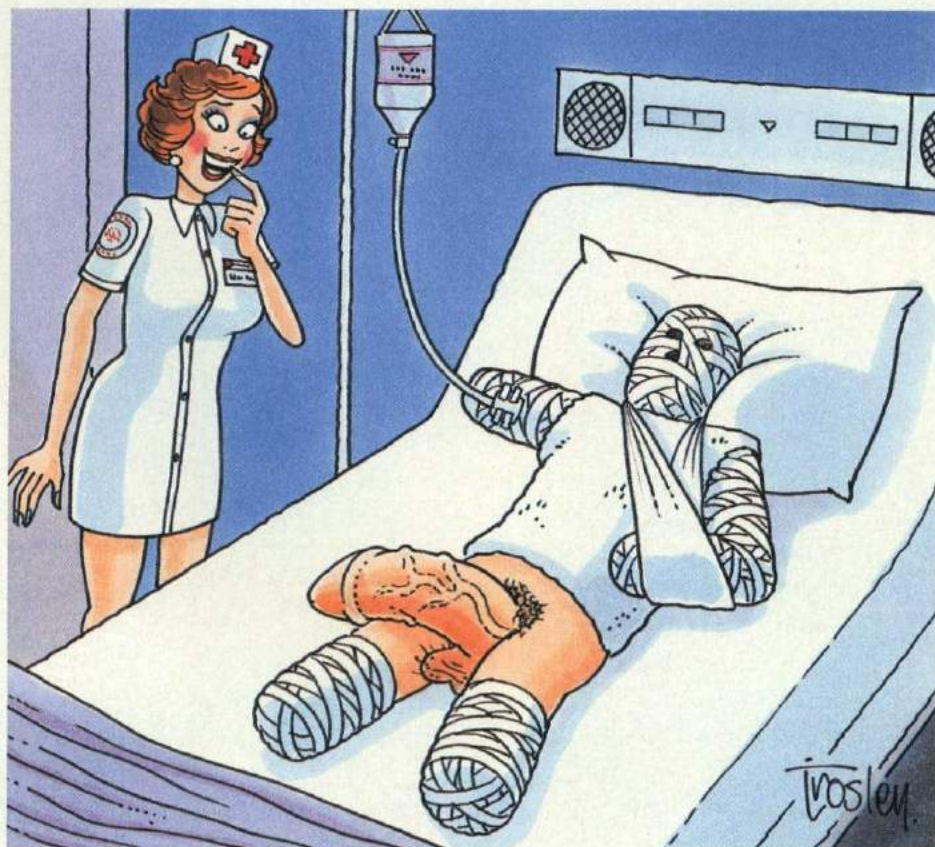

## THE REEMERGENCE

If a cunt-dry bastard has taken the correct actions, he has created a more substantial image and environs to present when the cooze parade starts up again. He is prepared mentally and emotionally for a fresh flow. He has done things to become a better person, and he in turn expects to attract better persons. *Still*, he wonders, *where have all the good girls gone?*

Don't worry. For long stretches, the newly invigorated male sees no worthy women anywhere. Suddenly, boneable broads pop up at every turn.

The instinct is to stick it to the very first open receptacle that comes along. There is no need to pursue every faint allure. Try and develop an appreciation for broads as a whole. Cultivate female friends so that the gender does not become alien and enemy. Take pleasure in the limited personal contact of the everyday exchange with women met during the course of normal events.

Women are weird. Like luck, they run in streaks. Prepare for them, and they come. 🍷

She claims to hail either from London by way of Bangkok, or vice versa, or someplace else entirely. Ron Jeremy's theory that "Annabel Chong is on loan from Planet Nympho" cannot be entirely dismissed.

On a blustery Sunday morning, in a mangy pocket of Los Angeles where the smog is heavily intermingled with crack fumes and the streets run chunky with blood, piss and puke, a black guy smiles at the boom box next to him. The music is unfunky, but he likes what he hears.

"All I wanna do is have some fun," croons Sheryl Crow out of the speaker, "until the sun comes up over Santa Monica Boulevard."

The brother is rapturous. Today Crow's inescapable pop hit is his personal anthem: He actually has been on Santa Monica Boulevard since daybreak, and all he wants to do, for sure, is have some fun.

He's not alone.

Dozens of men with the identical intention have filed past him into a nearby soundstage. They run the gamut of races, temperaments and degrees of physical fitness. All they want to do, collectively, is the same woman—dubiously enthusiastic Eurasian porn starlet Annabel Chong—for as long as all involved can endure or until the publicly proclaimed goal of 300 participants has been reached. Whichever—or whoever—comes first is wholly beside the point.

The event has been titled "The World's Biggest Gangbang," and by 8

a.m., the gang is all there. Over the next 13 hours, this assembled mass of amateur meat will paw, prod and pop off on Ms. Chong a combined total of 250 times. In the annals of adult entertainment—the event is being filmed and will be marketed by smut-mogul John T. Bone's Fantastic Pictures—this sets some sort of record. In the course of human civilization, it may well signal a unique sort of low.

Either way, it's truly something.

"You'd think a happening of this order would have been months in planning," decrees flamboyant filmmaker John T. Bone, "but I came up with the idea in a total of 12 seconds, and had the entire prospect formulated over the course of a 20-minute lunch meeting."

Inspiration works at its own pace, apparently. The bearded, British Bone regularly churns out gimmick-driven productions—*All I Want for Christmas Is a Gangbang*, for example, showcased a dozen Santa Clauses invading the flues of three elfin strumpets—that often employ squirrely filth-actress Annabel Chong. Today—January 22, 1995—Bone hopes that Chong will prove to be his best gimmick of all.

"I've launched any number of girls in

the business who were more immediately, say, *alluring* than Annabel," Bone discloses, "but not one had even half her ambition."

"Annabel wanted to know how I could turn her into an all-out sensation, a superstar. I said she could either amass an impressive volume of work over time, or we could stage one huge, earth-shattering stunt."

Chong opted for the latter, prompting those 12 terribly fecund seconds from Bone.

Word was sent out last fall, via all avenues of adult-oriented media, that a bona fide human porn star was willing to fuck 300 fans in a single day. The response, as would be expected, was enormous—an adjective also befitting many of those who came calling.

"All that was required was interest, a recent HIV test and a toga," Bone glows. "The hard-ons will be provided by Miss Chong."

The earth, meanwhile, should prepare to shatter.

The set motif for *The World's Biggest Gangbang* is ancient Rome. Columns and statues line a corralled pen that leads to an altar upon which all manner of unholy acts will take place.

After checking in, the glandular gladiators get to know each other over cold hot dogs, day-old doughnuts and piss-poor coffee, all of which they must pay for. Many purchase \$25 commemorative T-shirts as well. Each of these big-spending poke-blokes has financed his own way to the proceedings, and there will be no remuneration for their services. Huge bowls offer gratis prophylactics because, likely, no one thought to charge for them.

Bloated, repellent XXX vet Ron Jeremy intermingles with the wide-eyes. The Hedgehog wears a tuxedo and wields an interviewer's microphone; he is an engaging and appropriate master of ceremonies for the occasion. Jeremy is also in a rare setting wherein he appears palatable in contrast to those around him.

The final tally of approved, workable wad-shooters looks to be well under the proposed 300 mark, perhaps falling short by a full two-thirds. The solution is to have each fuck-fiend foul Chong as often as he likes, tracking the total number of penetrations rather than participants.

The crowd can live with that.

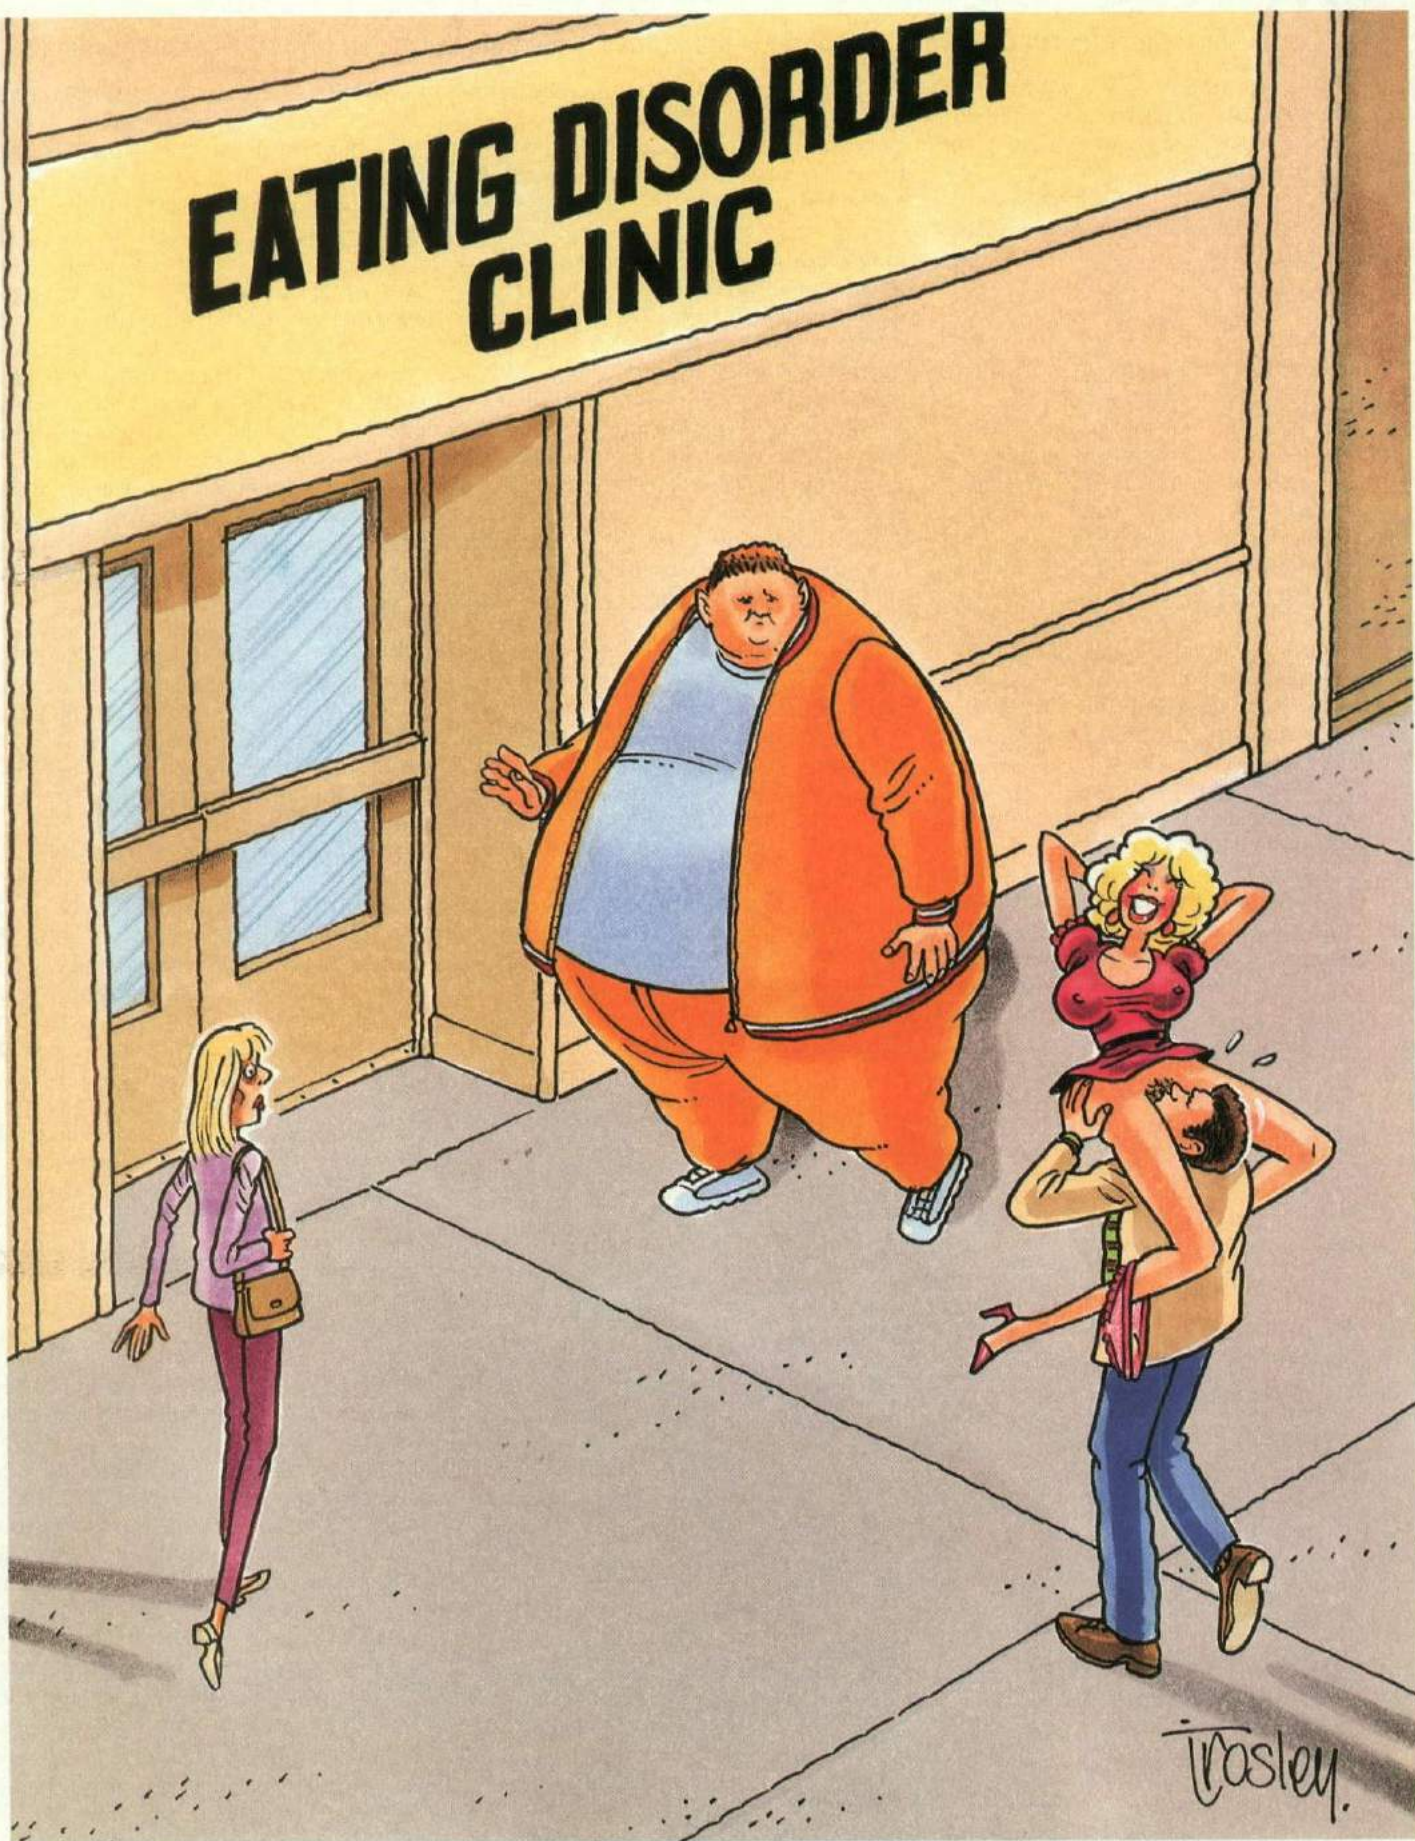

Jeremy and his cameraman chat with a naked 375-pound mess whose immense, wobbling blubber would be a sight to morbidly marvel at if he were not

dwarfed by at least five even more impossibly obese flesh-wrecks. A handful of muscle-heads flex and preen alongside some starvation-types—most remarkably, a short, jittery, rail-thin black dude whose phallus is literally as large as his forearm. Overwhelmingly, the participants are jiggle and out of shape. One guy is stone deaf. No physical abomination can compete, however, with the fellow who will come to be known—by a roomful of hairy guys—as *the Hairy Guy*.

The Hairy Guy isn't simply hairy: He's elderly, feeble and thoroughly disturbing. Skin hangs from the Hairy Guy's painfully pronounced bone structure in loose, swinging sacks, and what covers him, head to toe, doesn't seem to be hair so much as *fur*—thick, black, carpetlike fur. In addition, the Hairy Guy's johnson is comically long, and pencil-thin. For once—and for all the world to see—the Hairy Guy will put his package to use; whether it's to *good* use is not to be judged here.

Kerri Downs presses the flesh with her public, and it freaks her out.

Downs is a buck-toothed, natural-boobed, blond regular in John T. Bone's stable. "This is really exciting," she sputters before admitting, "I am *so* nervous."

Downs has reason to fret: She is the first female on the premises.

"I'll be fluffing today," Downs reveals, cautiously, to the moon-faced throng that instantly surrounds her. "Fluffing is what we call getting you guys ready to perform."

One admirer nearly passes out. "D-do that mean," he asks, "that we all get to f-f-fuck Miss Kerri Downs *before* we fuck Miss Annabel Chong?"

"No!" Downs insists. "I'll just be doing handjobs and condom application. Some of the other fluff-girls might suck you off or whatever, but, hey...you know."

The disappointed Downs fan takes this news hard. "Yeah, I *do* know," he grumbles. "I know I'll be spending time with some of the *other* fluff-girls."

The fluff-girl, for the most part, is a mythical creature.

Tales are told that once, long ago, the sidelines of dirty-movie sets were stocked with talented tongues and fingers that readied the privates of the onscreen players for perfect takes. These were the "fluffers."

No such practice is known to go on in current-day pornography. Once a videotaped record of *The World's Biggest*

*Gangbang* is released, fluffing's permanent extinction is guaranteed.

"They're all industry girls," Bone claims of the ginch-gaggle hired to keep his henchmen stiff. "Lower-echelon industry girls."

Champagne—a scrawny, dusky lass with a maniacal giggle and a mouth full of gold-plates—demonstrates how low the industry's echelons plunge. There is no "handjobs only" clause in Champagne's contract, though a line is drawn—against everybody's wishes—at going beyond oral sex with anyone who isn't Annabel Chong. Champagne is instantaneously beset upon by 15 reeling men, each desperately competing for even the smallest expanse of nude lady on which to rub himself.

Six fluffers work the room—and its 100 inhabitants—at any given time. They all sport a similar look to Champagne's upon arrival; milliseconds later they vanish into piles of hot man-mouths, bucking backs and hands that have long been denied the pleasure of feeling anything remotely feminine.

Bone's inclusion of sensual assistants seems, at first, a genius stroke—giving the people precisely what they want; in fact, what they *need*—until the trumpeted arrival of Ms. Chong herself is eclipsed by the cheap skags down front.

"Up here, you schmucks!" Ron Jeremy roars from the altar. "This is the one you're *supposed* to get off on!"

Annabel Chong struts and poses at the front of the auditorium for her distracted defilers.

A collective, unspoken realization slowly drives the men to pry themselves free of the fluff-girls. Soon enough, they rally, frenzied, for the opportunity to copulate proper.

Everybody wants to be a star.

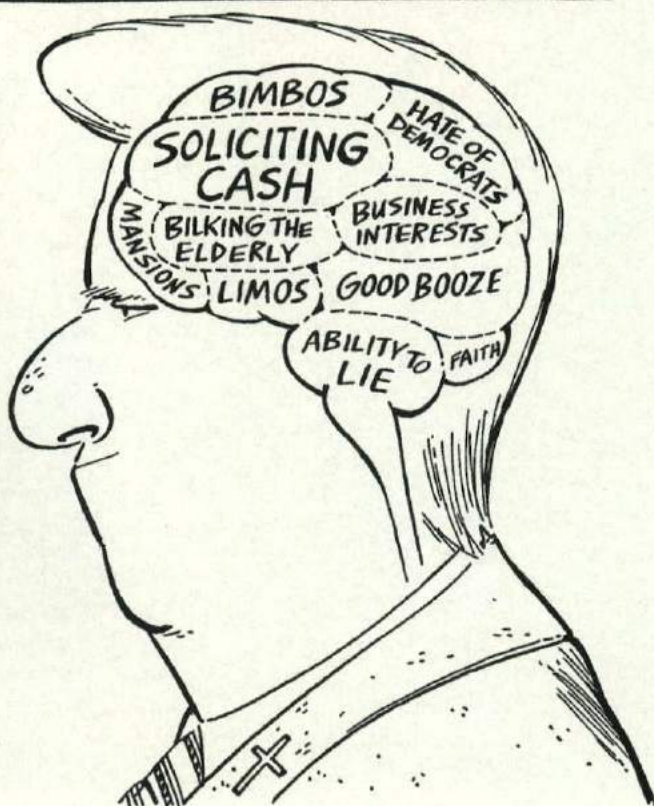

Considering the prolific output of this jizz-flick filly, little truth is known about Annabel Chong.

She is slim, yellow and bug-eyed, bordering on gawky. She reports her age as ranging anywhere from 21 to 24, and she claims to hail either from London by way of Bangkok, or vice versa, or someplace else entirely. Ron Jeremy's theory that "Annabel Chong is on loan from Planet Nympho" cannot be entirely dismissed.

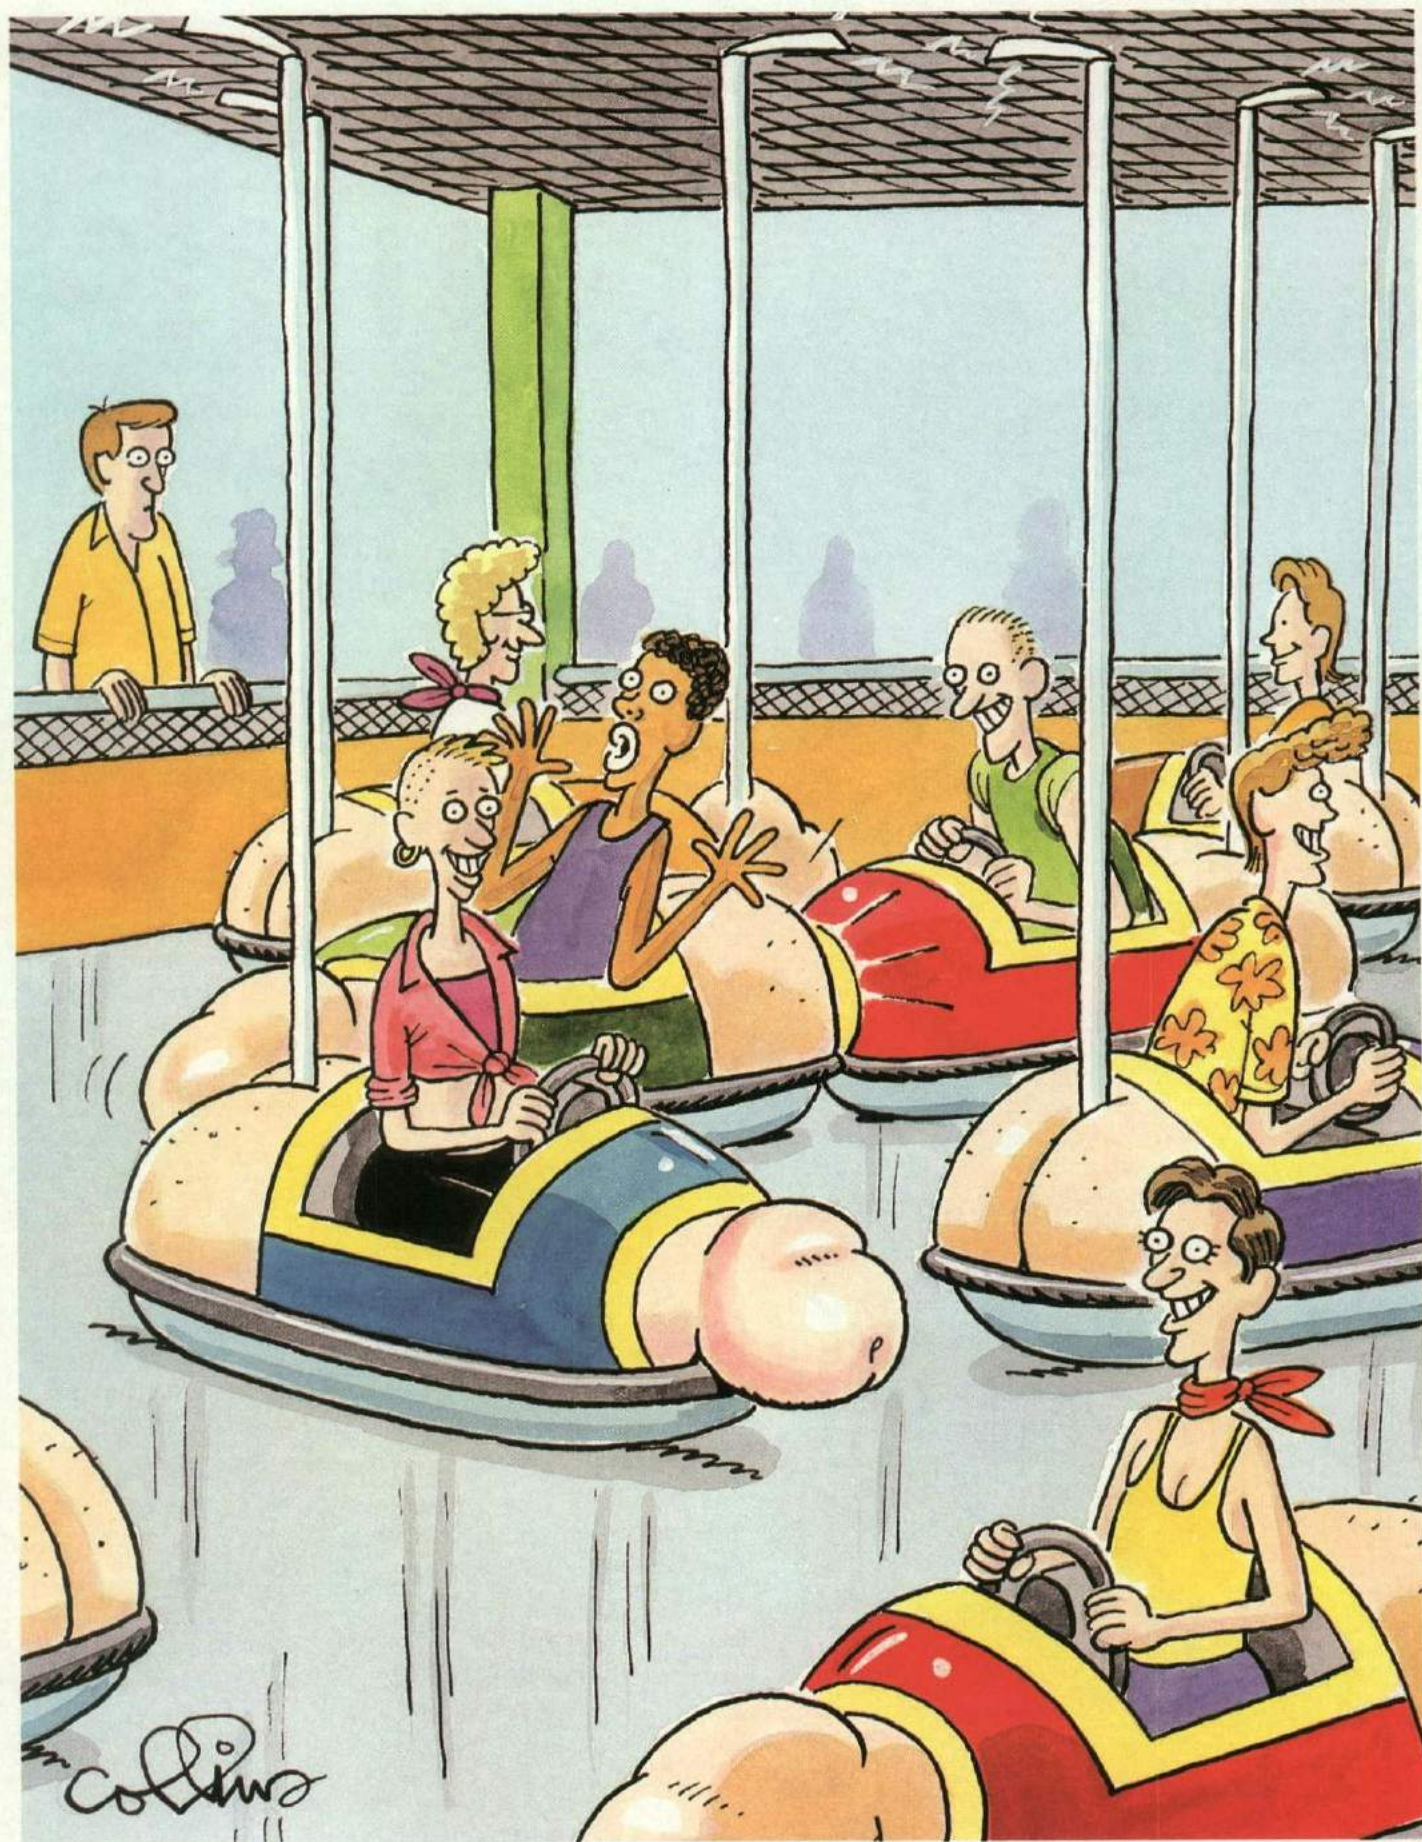

"I go into porn videos," Chong reveals in an English as underdeveloped as her sense of shame, "because I love to fuck—gang-bangs and two cocks up my ass especially—but I don't like guys to be in my life, especially after the fuck-

Joe reached over and plucked a hair from the slumbering man's butt. Nothing happened. Satisfied that they'd be uninterrupted, Joe plowed into his pickup.

When he was ready for a second go, Joe asked again, "Are you sure your husband won't notice us?"

"Yank another hair out," the babe sighed, "then maybe you'll believe me."

Joe followed her instruction once again. They repeated this ritual throughout the evening: Joe would remove a hair from the dude's butt crack, and then he'd screw the wife.

Finally, as Joe reached for hair number seven, the husband sprang to life, roaring: "Listen, pal—I don't care how many times you bang my old lady, but do you have to keep count on my ass?"

INHALANTS GIVE KIDS A KILLER BUZZ

REPORT BY GREGORY DAURER

NEVER MIND THE LIQUOR CABINET—PARENTS HAD BETTER LOCK UP THE HOUSEHOLD CLEANING PRODUCTS. KIDS ARE HUFFING EVERYTHING FROM GASOLINE TO GLADE FOR A CHEAP, OVER-THE-COUNTER—AND DEADLY—HIGH.

The mother of a 16-year-old girl who died from sniffing Pam cooking spray claims, "It gives them a high the same as PCP." "Pam was cool," agrees one ex-huffer. "It made everything bounce."

\* January 7, 1995. The body of a 14-year-old boy is discovered on a playground in Tinicum, Pennsylvania. A can of butane clutched in his hand.

\* November 5, 1994. A 19-year-old dies while inhaling propane gas in Frankfort, Michigan. He had apparently removed the tank from a gas grill.

\* December 31, 1993. A 16-year-old dies of heart failure after inhaling VCR tape-head cleaner in Woodstock, Georgia. The teen had been a straight-A student and a member of the school golf team. "There was no indication he'd ever do something like this," says the boy's shocked father.

A bizarre high is making the rounds among kids and teenagers: inhalants. Unlike drugs such as cocaine and heroin, this class of unexotic substances usually isn't sold on the sly to youth by a hardcore pusher, or even from student to curious student. Instead, these toxins can be copped anywhere, from supermarkets to hardware stores.

Inhalants comprise more than 1,400 commercial products that kids breathe in through the nose or mouth ("huff") for a quick, cheap, over-the-counter high. Inhalants-of-choice include aerosols, such as cooking spray, hair spray and spray paint; amyl nitrite (the "poppers" given to

heart patients); anesthetics, such as nitrous oxide (the "laughing gas" found at the dentist's office and in whipped-cream dispensers); organic solvents, such as gasoline; and some substances that fall into nebulous categories, such as refrigerants, liquid waxes, felt-tip pens and even embalming fluid. Often the liquids are poured or sprayed into plastic bags and breathed in through the nose. Sometimes they are sprayed directly into the mouth.

"It seems like kids will inhale anything they can," declares Dr. Neil Rosenberg, a neurotoxicologist at Swedish Medical Center and the founder of the International Institute on Inhalant Abuse (IIIA) in Englewood, Colorado.

The rush provided by inhalants is short and quick—and so, sometimes, is the death. Huffers' hearts have been known to stop after only one sniff, or their lungs become coated with gunk, and they asphyxiate. Estimates on inhalant deaths per year range from 100 to 1,000 nationally. When they don't kill, inhalants can cause permanent damage to the brain, liver, kidneys and lungs.

Kids who huff don't realize how dangerous the products are when misused. Inhalants have often been left out of anti-drug campaigns; so kids assume the substances are safe.

"We get comments from kids all the time—something to the effect, 'No, I don't use drugs. I sniff every week, but I don't do drugs,'" says Fred Beauvais, who studies national drug trends among minority youth at the Tri-Ethnic Institute in Fort Collins, Colorado.

Users in the United States tend to be mostly males from 12 to 17 years old, although children as young as 3 years old have been treated for inhalant abuse. Inhalant users cut across the socioeconomic spectrum and are found in rural, suburban and urban areas. They typically come from stressful situations, according to Beauvais.

"My patients call it the 'emotional pain pill,'" says therapist Theresa Jacobsen, who has treated chronic inhalant abusers in Denver, Colorado, for more than ten years.

But some kids are simply bored or curious. Inhalants supposedly provide an incredible buzz—unbeatable at the price and accessibility.

One 17-year-old huffer says that he and his friends would hallucinate that their hair was changing color when they sniffed gasoline. Another teen gas huffer describes seeing "shooting stars" and big green flies with white wings. Still another relates: "I saw space invaders which weren't human. I felt frightened because they were coming at me and I couldn't move."

The mother of a 16-year-old Kansas City, Missouri, girl who died from sniffing Pam cooking spray claims, "It gives them a high the same as PCP."

"Pam was cool," agrees one ex-huffer. "It made everything bounce."

The more toxic the substance, reports Dr. Rosenberg, the more attractive it is—because the more likely it is to give the sniffer a rush.

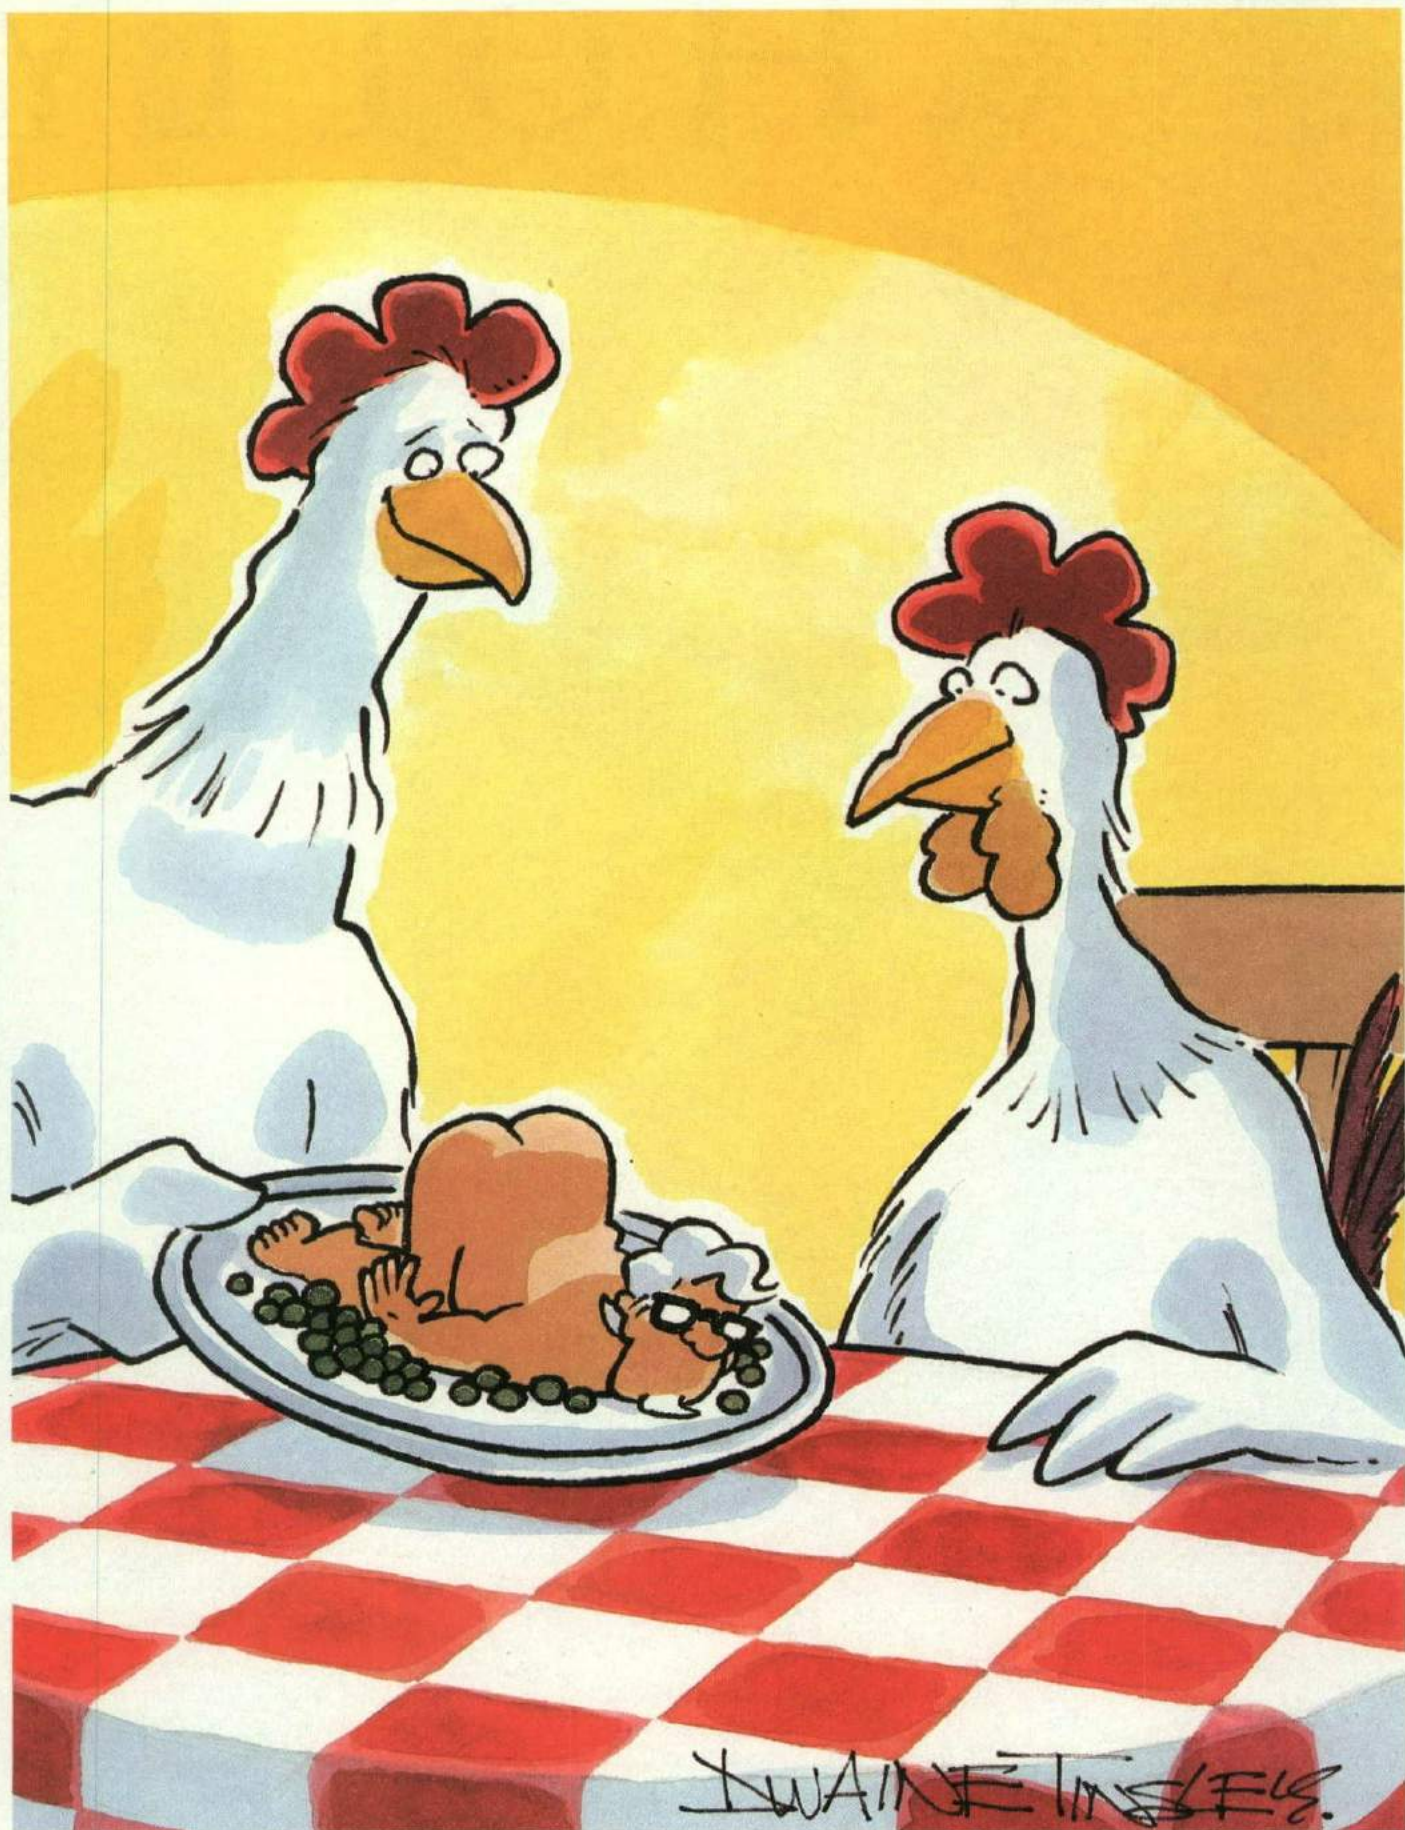

"Once I figured [inhaling] out, I started looking for things that said DO NOT INHALE," reveals a 14-year-old Georgia huffer now in rehab. She finally settled on fabric protector, spraying it on her sweater all day long while in school and breathing it in to get the desired "strange floating sensation."

Huffing is not a new phenomenon. During the LSD-filled Summer of Love in 1967, inhalant-heads frequently sought treatment, right alongside acid casualties, at San Francisco's Haight-Ashbury Free Clinic. Dr. Darryl Inaba, director of the clinic's drug-treatment program, recalls that using inhalants "was viewed as a degenerate form of substance abuse and

Holly thrusts out her bottom, inviting cool water to splash against her little red berry.

"But I am getting tired of sticking just a finger in my pussy," she observes, glancing over at a nearby hydrangea bush.

The leaves rustle, and she glimpses the new gardener's tight tail, scurrying away.

Holly sighs.

a lowly thing to do for somebody who couldn't gain access to good marijuana or other drugs."

Inhalant abuse among teens has been steadily on the rise since 1982, according to IIA coordinator Kayla Kirkpatrick.

In the mid-'80s, Dr. Neil Rosenberg witnessed the most dramatic case of intoxication he'd ever seen while working at Denver General Hospital. Rosenberg describes the paint-sniffing patient: "His coordination was so bad, he couldn't even roll over in bed. He couldn't hear." The patient also had no control over his random, chaotic eye movements. "You just don't see things like that every day."

Rosenberg says that inhalants can cause "big-time, major-league brain damage—more than cocaine, heroin and marijuana combined." He has taken brain scans of more than 150 chronic paint sniffers and discovered alterations in the brain's white matter: the insulation that wraps around the neural fibers interlinking brain cells. (The disease multiple sclerosis also affects the white matter.)

But it's still too early to document all of the potential hazards. Due to the inability of research centers to administer a gas to test animals, there are no good animal models of solvent-induced brain injury. "All we have, if you will, is

human experimentation in inhalant abusers," Rosenberg laments.

Inhalants, while not physically addicting, can be habit-forming. Ray Edelstein owns an art gallery in Manitou Springs, Colorado. As a teenager in 1973, his penchant for AWA Spot Remover led to a stay in a mental hospital. Edelstein's appalled brother discovered his sibling's vice and intentionally broke Ray's half-gallon bottle on the ground.

Edelstein recalls, "I knelt down in the puddle and started inhaling the pool of liquid on the floor, and actually passed out. I woke up a day or two later with little shards of glass in my face. I was quite amazed I wasn't dead."

In addition to sudden death from heart failure, users are sometimes suffocated by the bags they use to inhale from, or choke to death on their vomit. Accidents also occur, as in the case of the 16-year-old in Georgia who crashed his car and killed a 15-year-old passenger while inhaling Memorex Duster fluid, used to clean computer keyboards.

Detoxification proceeds along the same lines as for heavy alcohol or sedative use, but solvents stay in the body longer. "Sometimes you're hungover for days on the stuff," says a user who used to indulge in Lloyd's Ignition Spray. Often, anti-con-

vulsant drugs must be administered to alleviate withdrawal symptoms.

There are approximately five in-patient drug treatment centers in the United States that accept inhalant abusers. Catherine MacIntyre, an IIA director, says, "Many treatment centers won't take these people because they don't know what to do with them. They haven't heard that much about [inhalants], and they're unwilling to take on something that they're unclear about." Rehabbers get discouraged, too, when the counselor on the other end of the desk can't relate to them as they describe their fix. Sometimes huffers can complete rehab in six months, but some never quit the huffing habit.

"These kids are just real tough to treat," observes Dr. Donald Kunkel, of the Samaritan Regional Poison Center in Phoenix, Arizona. "They just want to go back to it and back to it."

Many doctors and counselors involved in treating inhalant abusers believe that the nation is enmeshed in an epidemic of serious proportions. A survey released in December 1994 by the National Institute on Drug Abuse (NIDA) reveals that one out of every five or six students in grades eight to 12 has tried an inhalant. With the exception of marijuana, inhalants constitute the most widely used class of drugs among eighth graders.

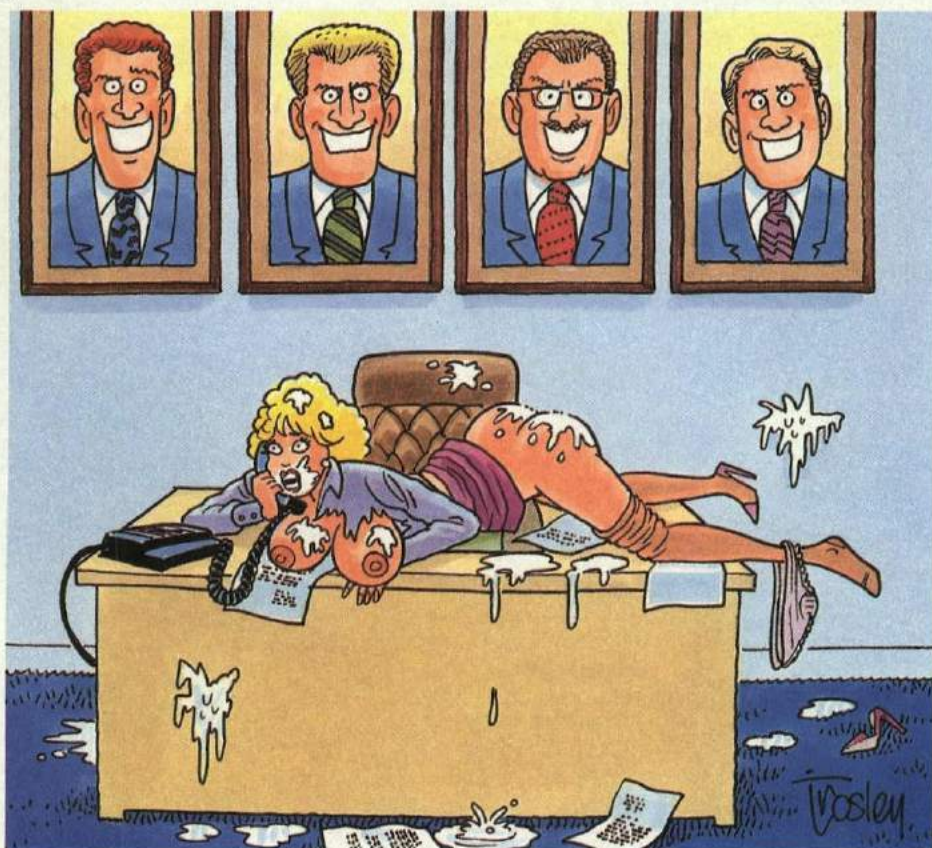

"Because this class of volatile substances is composed mostly of legal products found around the home, it has received less attention than it should," asserts the principal investigator of the study, Lloyd Johnston.

Blame for the rise in inhalant use has been placed in part on the lack of funding for treatment and prevention. The IIA's Kayla Kirkpatrick says the group is sometimes frustrated that most prevention money goes toward fighting more traditional drug abuse.

Others question the scope of inhalant abuse. Sociologist Lynn Zimmer, at Queens College in New York, says that the NIDA's survey merely indicates that some kids have used an inhalant once or twice, and probably never will again. "The survey was never created for the purpose of identifying problems, and it's not very good for doing that," Zimmer argues. She's quick to add: "Not to say that there isn't any danger, or that we shouldn't be concerned about it and doing what we can to dissuade young people from using inhalants. But it's not a crisis."

Dr. John Morgan, who wrote a textbook chapter on inhalants for the World Health Organization, says, "the Drug Abuse

Witness the 16-year-old who died after sucking the vapors from a discharged fire extinguisher into a plastic bag. He'd heard about this particular high at a party held in a nearby town.

Warning Network listed about ten inhalant deaths for the last year I checked." Long-term health data regarding solvents has been collected mostly from factory workers, not inhalant abusers.

Morgan states, "I simply don't want to participate anymore in what I've regarded as the classic American drug scare in which reporters write idiotic articles filled with frightening language and terror, and help to keep American adults frightened of their children." (Both Morgan and Zimmer are also board members of NORML, a group that advocates the reform of marijuana laws.)

Even San Francisco's Dr. Inaba doesn't agree that all use is abuse. He maintains that use turns into abuse only if use continues despite negative consequences.

But the IIIA's Cathy MacIntyre immediately asserts, "Use is when you spray Scotchgard on your furniture to protect it. Anything else is abuse. Inhalants were never meant to go in the body."

One of the claims of the NIDA's survey is that pro-drug messages in the media have led to increased drug use, but most kids learn about inhalants from other kids, not movies or music. Witness the 16-year-old from Aurora, Colorado, who died after sucking the vapors from a discharged fire extinguisher into a plastic

bag. He'd heard about this particular high at a party held in a nearby town.

"Once an idea gets imbedded in a community, it's passed on through the adolescent culture," says the Tri-Ethnic Institute's Fred Beauvais.

If there's a medium to blame for promoting use, it's the daily paper. In the past, newspaper articles on inhalant trends didn't just send Mom and Dad blitzing into Junior's room to search for soiled rags or paint thinner; sensationalism also incited inhalant use among adolescents in the early 1960s.

In 1959, two reporters for the *Denver Post* chronicled the new bang that rural youngsters were indulging in: glue sniffing. Cases hadn't been reported in Denver yet. But after follow-up articles, there were suddenly 95 arrests for glue intoxication by the end of 1960, and 278 by the end of 1961. Similar media scares spurred use in Salt Lake City and New York City.

Charles Krafft, a painter and Seattle art critic, remembers reading about "The New Kick" in *Time* magazine in 1962. "After I finished the article," recalls Krafft, "I went right into the bedroom where I was building these models and got out my Testors [glue] and squeezed some onto a sock and put it up to my mouth and took a number of deep inhala-

tions." Krafft, now 47, gave up huffing only three years ago.

Over the past two years, the topic has been covered by almost a dozen newspapers across the nation, including the *Washington Post*, and it's been a featured story on *Larry King Live* and 20/20.

As far as Cathy MacIntyre is concerned, the publicity can only do good. She says that denial over the widespread nature of inhalants has been rampant, and that in the past deaths were just thought of as isolated incidents. MacIntyre claims, "[Journalists are not] talking about the high, they're not telling kids how to do it. They're writing good articles that get the word out so that you can pick it up as a parent or as a teacher or as a law-enforcement person, and then when you see that can of Glade and see somebody down on the ground, you make the association."

Dr. Andrew Weil experienced the effects of solvents as a boy working in his father's fabric-dye store. He wrote about them in his controversial children's book, *Chocolate to Morphine* (Houghton Mifflin Company, 1983), which non-judgmentally describes how drugs are used and their effects. The book was pulled from several school libraries for "promoting drug use" during the Reagan era.

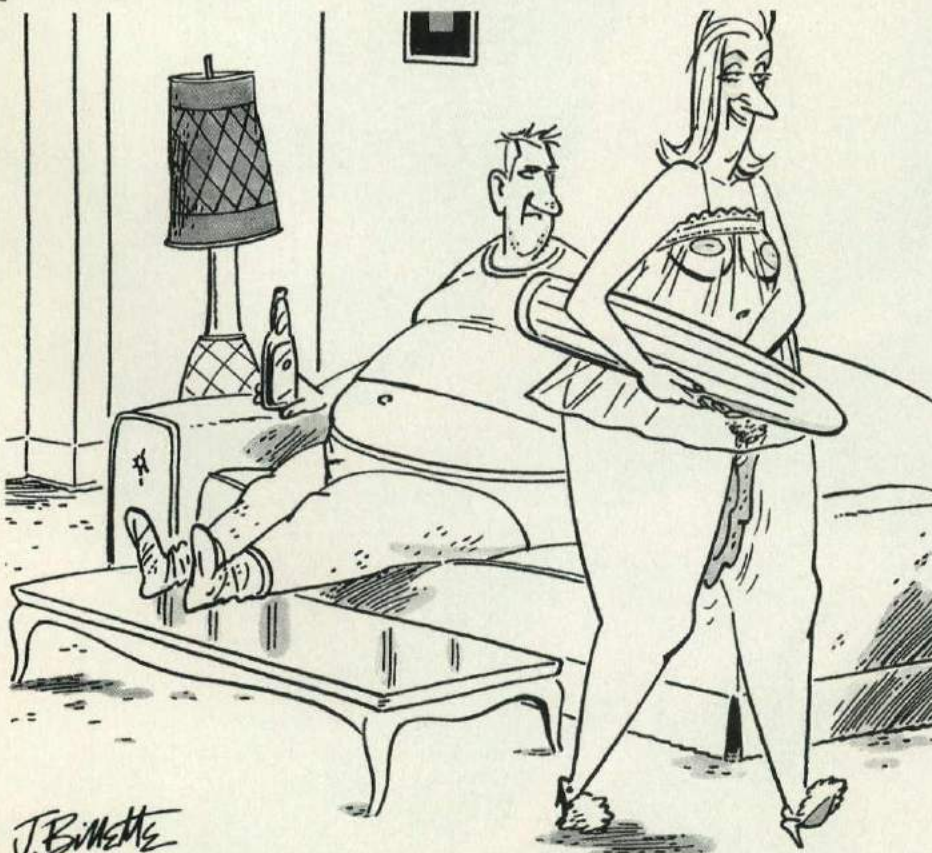

Weil takes a "harm reduction" approach to drugs—recommending the allowance of and access to marijuana to divert use from more toxic highs. "I would maintain always that there is a distinction between drug use and drug abuse," says Weil, "and that many of the drugs that we are fighting the war on drugs against can be used safely."

But as for inhalants, Weil says, "These would not be my first choice of drugs to alter consciousness with: I think they're relatively toxic, and the quality of the experience is mediocre. Still, I think if people are going to be using them, there are precautions that they should take, such as: Do not use them in an addictive pattern, get plenty of fresh air afterward, be careful not to blow [yourself] up, and relatively common sense things like that."

Two weeks before Brad Kaye died of "toxicity due to butane" in Tulsa, Oklahoma, the 15-year-old soccer player told his grandfather, "Oh, I'd never do drugs!"

The boy's father, Tom Kaye, says Brad's peers didn't even consider inhaling butane the same thing as doing drugs. Kaye has spent the past three years since Brad's death lecturing on the subject and appearing on numerous TV shows. He

## Sex Play (continued from page 59)

and slink away satisfied—as he probably did from his computer terminal after posting that confession.

To achieve the more advanced bliss of Glen, Carol and Sylvie, all the Net user needs to do is get his or her computer/modem upgraded, buy a video camera and download the CU-SeeMe software available through the Internet from Cornell University. This free program can turn a computer into a two-way TV, allowing connection with similarly configured Internet users around the world.

Not all of the bugs have been worked out: The video is black and white, and viewed as a playing card-sized insert on the screen, and the quality of the audio varies from shitty to very shitty. Still, CU-SeeMe is the beginning of something important—perhaps the birth of true two-way TV broadcasting by the masses. If the near future is anything at all like the past and present, a good portion of what the masses will be broadcasting will be real raunchy.

With all that filth there for the accessing, it was only a matter of time before the powers that be cracked down on Net naughtiness. Last year, a California couple who ran a sexy bulletin board in Milpitas, California, was convicted of obscenity—in Tennessee, because someone downloaded their pictures there. In January 1995, Senator James Exon (D-Nebraska) introduced a bill calling for a two-year prison term for anyone sending "obscene or harassing electronic transmissions."

Free-speech advocates view cyberspace as the censorship battleground of the '90s. Asserts Nadine Strossen, president of the American Civil Liberties Union and author of *Defending Pornography: Free Speech, Sex and the Fight for Women's Rights* (Scribner), "Every time there's a new communications technology invented, it sends waves of panic through the censors for the very same reason that it sends joy through civil libertarians—new technologies make it easier to communicate ideas! But I don't think it matters what technology is involved, as far as censorship goes. Freedom of speech is our Constitutional right."

Partly to short-circuit the censors, and partly to protect children from potential abusers contacting them through the Net, online service providers are trying several self-policing policies. CompuServe lets users lock out certain service areas; Prodigy and America Online forbid posting explicit material; and all the major service providers may attempt to shut down sexy chat sessions.

Perhaps the robocops will succeed in sanitizing cyberspace. But the Internet was originally designed to help computer systems withstand atomic attack. Maybe it will prove impervious to the attacks of censors too. Many experts believe that the Net has already outgrown the possibility of thought-policing. If that is truly the case, let the faint of heart beware: The Internet is too big and bawdy for anyone to control.

Attention, ladies! The 1995 *Beaver Hunt* Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER *Beaver Hunt*, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Every lady whose picture we print gets \$250 and a chance at the 1995 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

One lucky Tucson, Arizona, man comes home from work every night and finds rapturous Rainbow waiting as his personal pot of gold. Rainbow works full-time as a homemaker, but models and dances on the side. At 21 years of age, she's yet to fulfill a sticky craving to be stripped and spread atop an ice-cream parlor counter. The sign would read: All you can eat.

Turning the other cheek and getting two sexy feet up on her *Beaver Hunt* Grand Prize competitors, give a hand to Sarah of Holland, Michigan. A factory worker who relaxes by camping and riding motorcycles, Sarah just turned 18 years old; yet still retains a soft, baby's bottom. She only desires to be her boyfriend's sex toy which, she says, may include another girl if he so desires. Oh, lucky man!

With a fresh smile and fanciful outlook, Ginger is a lover of life. A 32-year-old telemarketer from Cleveland, Ohio, Ginger likes simple things: collecting miniatures, shopping and having her breasts sucked for hours. Making love outside in the rain would be a natural fantasy's fulfillment.

Photo by Friend

Actress Cybill Shepherd may push a hair-color product called Preference, but gentlemen surely favor the natural blond beauty of lusty Liza, a dead ringer for the former *Moonlighting* star. A 23-year-old student from Erie, Pennsylvania, Liza digs drawing, dancing and building furniture. To be taunted and teased by the man of her dreams would tickle her pink.

At 18 years young, Adaire is still at that naughty, rebellious stage in her life. Note the cool tattoo and consider her main hobby of finding beautiful girls to share with her fiancé. Adaire works as a quality manufacturer in Bradenton, Florida, and may have already fulfilled her fantasy of watching her boyfriend fuck two other girls. Thank you, sweetie, may I have another?

Photo by Fiance

Boning up on her study of backdoor sexual entry is Brittany, a 21-year-old college student from Dallas, Texas. Even from this rear view, it's easy to see that Brittany spends her free time working out. Her fly-by-night fantasy is to be fucked in an airplane at 30,000 feet. Stewardess? A condom please.

"I'd like to have sex with a group of men in a porno theater," writes 20-year-old Aimee of Richmond, Indiana. Surfing and dancing are her two favorite avocations, while working as a CD printer keeps her fingers busy during business hours.

Photo by Friend

Lucky is the man who takes part in lovely Lucretia's sexual fantasy. "I'd like to tie up a guy in a European cathedral and ravish his body for hours," this dominating 19-year-old writes. Hailing from Seattle, Washington, Lucretia likes writing and performing gymnastic feats when she's not attending her college classes. She's already learned a lot about the ways to a man's heart.

Photo by Boyfriend

This foxy flight attendant might offer, "Coffee, tea or a dry towel?" to men who've just spent several hours watching her fascinating work. Pamela is her name, and skating and fishing are two favorite games of the 24-year-old Pompano Beach, Florida, girl. Her fantasy? To walk her naked tight end through the Miami Dolphins' locker room and organize a different sort of huddle.

Photo by Friend

If there is a heaven, buxom Angel must be Saint Francis of Two Titties. A 22-year-old artist who supports an awesome pair of hooters in San Jose, California, Angel gets her kicks practicing martial arts and riding motorcycles. To be the sexual slave of a strong man would make this girl's day; or weekend, perhaps.

Photo by Friend

If she were the state's lone star, this Spring, Texas, entertainer would be reason enough to pay a visit. Her name's Michelle, she's 27 years old and lists cooking and "sex clubbing" as her most passionate pastimes. She says all of her desires have been satisfied, but admits she wouldn't mind having sex with several guys in one night again. Practice makes perfect.

Like the Bible's Eve in the Garden of Eden, Lilyane loves to frolic naked in the outdoor splendor of God's country. A writer by trade from Florida Keys, Florida, Lilyane also enjoys watersports. She turned 30 years old last month, and describes a mature fantasy that involves an islandful of wild natives who help her live a life of natural eroticism.

Photo by Fiance

Assuming one of the Beaver Hunt editors' favorite positions, bare-bottomed Bonnie is a lithe, little housewife from Fayetteville, North Carolina. A 22-year-old shopping and exercise enthusiast, Bonnie fancies the notion of someday having sex in an elevator and perhaps using this easy access pose to make things go up faster.

Photo by Husband

Beauty is youth, as evidenced by the angelic features of sexy Shelly, a 20-year-old homemaker from Lawton, Oklahoma. Shelly enjoys swimming and working out, and fancies the frothy notion of having sex with her husband on an ocean shoreline while the waves slap their bodies from here to eternity.

ing. That is what is great about the movies: I am able to fuck all the men I want, and then they just leave as soon as they come. Goodbye!"

Before the orgiasts say goodbye today, they will come. Big.

The lighting technicians, sound experts and other skilled professionals on the premises are far surpassed in importance by the mop-jockeys: sorry mooks who scour scum and dispose of sploogy rubbers for a living. Their work is cut out for them.

From the director's station, Bone orders a group of five men to the altar. Two attractive prick-wielders, one tub-of-guts in a tunic, a satchel-assed old hippie and, yes, the Hairy Guy descend on Annabel Chong's prone, naked frame with full-on carnal furor.

The hippie spews practically on contact, but he's reluctant to depart the stage. Imposing security officers convince him of the back of the line's inherent appeal.

One long-maned hardbody enters Chong's pussy pud-first while she brokers a dual blowjob to lardboy and stud number two. The Hairy Guy wiggles his creepy, elongated, fingerlike erection across Chong's midsection. His subsequent mounting of Chong, under

any circumstances, would be deemed "sloppy seconds"; here, what defines *second*—let alone *sloppy*—is harrowingly relative.

The initial group sets the day's standard: The fuckers foul Chong in sets of five for a period of about seven minutes each. After they toss malt, or time is up, they may return to the fluffers—if they can wedge themselves in among their beefy brethren.

The Hairy Guy speaks! Unfortunately, he has little to say.

"I distribute pornography out of my apartment," he divulges. "Films. Novels. Hard-to-find materials. I learned of this event at the local adult-book store."

How did he enjoy fulfilling every sofa-stroker's dream?

"It was, uh...all right," the Hairy Guy grunts. "I believe I will have some more."

He then saunters back in the direction of the shenanigans. Perhaps the Hairy Guy's reticence is fortunate after all.

Luther, a Hollywood local completely unclothed but for an African kufi hat, has considerably more on his mind: Foremost is his frustration with the chap whose mouth has been clamped in excess of 90 long minutes

to the crotch of a dazed, fortyish, blond fluff-bunny. No shit.

"God-damn!" Luther erupts. "Enough, man! Eee-nuff! You gots to let somebody else get their licks!" The undulating mob—whose peckers dot the blonde's epidermis like a cock-junkie's wettest dream—backs Luther's demand. The cunt-barnacle doesn't budge.

Reaching through the heap of man-parts to temporarily distract the fluffer from her duties, Luther begs the woman: "Don't you wants to feel somebody else—anybody else—up your poony?"

The fluffer disengages a penis from her gullet. "I'm a cock-junkie," she coos. "This is my wettest dream!"

Her answer practically uncurls Luther's afro.

"Please more anal I want," Annabel Chong crows from her perch, "but, please also—oooh!—watch your fingernails inside me!"

Word circulates that the former world-record-holding gang-bang consisted of 121 incidents of intercourse. When and where this travesty transpired—and why it was, allegedly, written down for historians—cannot be determined. This in no way is supposed to detract from the jubilation following Annabel Chong's 122nd schtupping.

"We have a new world record!" director Bone brays to the applause of maybe one security guard and nobody else. The rest of the fuckheads have their hands too full to care.

Chong celebrates the bacchanalian benchmark by dousing her inflamed cavities with ice water. She smiles and waves at her sinning minions. Few notice. Ron Jeremy cracks wise. None notice. Semen blobs hang from Chong's eyelashes; her corrupted birth-canal is a stewy pit of nonoxynol-9, fuck-fluid and plasma. Chong looks to be all kinds of wrecked, but, smiling and waving nonetheless. Someone reminds everyone within earshot that she remains less than halfway home.

The show goes on; Annabel, as per her request, gets more anal.

Liberated from his monitor, John Bone observes: "The gang-bang is pretty much filming itself at this point. There are no egos here. Everyone involved signed on strictly for fun. Christ, it's like a big party!"

Four fingers snake up the puckered shit ring of a sporadically toothed representative of porn's lower echelon while

# Inhalants

(continued from page 124)

warns of the potential danger for strokes from using butyl nitrite.

"What the kids are doing nowadays is far outside the scope of glue sniffing," says Kaye, a pharmacist. "The products that the kids are using are exquisitely toxic compared with some of the other products ten years ago."

Kaye, like scores of other bereaved parents, is suing the manufacturer for liability. "I hope that the lawsuit will do a couple of things," he says. "Number one, there will be some public exposure to the abuse of inhalant products, specifically butane. And also, that the manufacturer will find it necessary to contribute some money to the campaign to prevent further deaths through education."

Manufacturers are taking steps toward prevention. 3M has reformulated its Scotchguard, and they've produced an anti-sniffing commercial. Bic has laced its Wite-Out with mustard-seed oil to give the product a repulsive smell.

In addition, several states have passed laws regulating the sale of inhalants to minors. Ralph Engel, president of the Chemical Specialties Manufacturers Association, calls this "a Band-Aid approach. This group of children who are drug-oriented and inhalation users move from one product to another, and you

can't regulate every consumer product on the market. I think efforts need to be made to educate everyone in the community."

Efforts are being made to educate both children and parents. This year, the Texas Prevention Partnership officially designated March 19-25 as National Inhalant and Poison Awareness Week. The Partnership for a Drug Free America is reportedly working on an anti-inhalant spot. The Boy Scouts of America has published a *Boy's Life*-style cartoon to advise its troops to obediently avoid inhalants.

As with news coverage of inhalant abuse, public awareness campaigns have a potential downside: By drawing attention to the toxic substances, they may inadvertently create interest in them. The same may hold true for school prevention programs. Consequently, many counselors don't go into classrooms with the whole smorgasbord of available products when lecturing. They're careful not to talk about the alluring high.

Theresa Jacobsen agrees that education is vital—with one important qualification. "As long as we continue to regard inhalants as drugs," she declares, "kids are going to continue to experiment with them." Curious kids will never stop huffing until they see inhalants for what they really are: deadly poisons. ☘

"Aw shit! I'm late for my sensitivity counseling!"

# Chong

(continued from page 144)

she crams most of three dicks between her jaws. *Par-ty!*

"My plan," Bone states, "is to unveil the final product as a four-hour epic. I think of it not so much as an erotic film, per se, as I do a documentary, or perhaps a curiosity piece akin to John Wayne Bobbitt's thing—though I have no doubt that viewers will find the end result erotic."

While there is no accounting for taste, a strict tally is kept on the amount of times Chong invites a prong into her openings.

Ten hands pinch, pull and knead Chong at any given moment for 13 uninterrupted hours. Multiple sets of testicles dangle perpetually within her lips' reach. The threat of stage-fright-frazzled impotence, somehow, has been kept at bay, as several rock-hard rods are always vying to slide up Chong's jaundiced anus and vagina. Her corpus is drenched with gallons of sweat and ball fluid. Double penetrations are constant. Two cocks are placed up Chong's ass while a simultaneous attempt is made to double-stuff her twat. The movie's success is hard to judge, but the piercing intensity of Chong's screams indicates that the experiment came close enough.

Finally, after being fucked—and fucked *ugly*—250 times, Chong throws in her serape.

"If it was just sex," she heaves, "I could go nonstop until I drop dead, but the goddamn fingernails tear me up."

Chong's portals visibly—and painfully—ooze crimson. She is 50 nailings short of the already truncated aim, but no one seems willing to hold it against her. No one, that is, except Ron Jeremy.

"Wait a minute," Mr. H. Hog bellows, "I want in!" He strips, flops on top of the flaccid Chong, pumps a bit and then ejaculates directly into her eye. As noted earlier, Ron Jeremy perfectly fits his Big Chief Scumbag role at this monumental wallow.

Chong is awarded some cheeseball trophy before being led offstage. A round of applause is encouraged. The fluffers are free to finish off whatever they've got caught in their throats, then it's strictly back to the streets for them.

"It's hard to believe this really happened," a slack-jawed slob observes on his way out.

As the most inhumane century in the course of human progress draws to a close, some atrocities are harder to comprehend than others. It's 1995, and that's entertainment. ☘

I AM OVER 19 YEARS OLD AND REQUEST THIS MATERIAL

# PENIS ENLARGEMENT

You can thicken, harden, and  
lengthen your penis to 12 inches  
or your maximum potential!

The only complete penis enlargement  
system featuring the largest selling and  
most successful pump and **free** step-by-  
step instructional video and magazine!

**Successful results for over 20 years  
with more than 5 million men!**

**How can our heavy duty deluxe penis enlarger increase the  
length and thickness of your penis?**

The answer is called hypermia, a medical term to describe blood  
filling into the caverns of your penis. The caverns expand causing  
your penis to grow in length and diameter. The superior pump  
action and sealed vacuum of our penis developer urges your penis  
to grow to mammoth proportions.

**Can I use any pump to increase penis size?**

Not exactly. Inferior substitute pumps and electric massage pumps  
can't help you. You need a quality pump constructed of the finest  
materials tested and tried and used successfully for over 20 years.  
Our pump will give your penis increases in length and diameter you  
never dreamed possible. Up to 10 inches, even 12 inches... or your  
maximum potential, and you'll see this dramatic increase in size  
grow right before your very eyes, through the clear housing.

**If I have a quality pump, is that enough?**

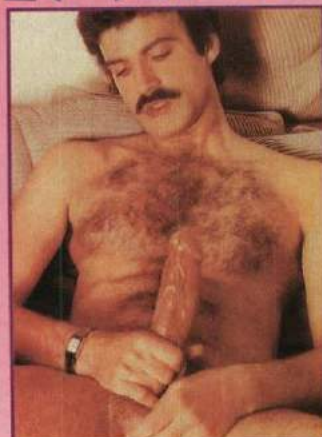

You need to know how to use the pump. This is important! Our  
instructional video tape and magazine shows you, step-by-step, how  
to harness the energy of our powerful pump. The video tape and  
magazine are easy to follow and guarantees you will understand how  
to use our pump. You will learn how to make your penis thicker and  
longer by following the easy step-by-step instructions.

**You will be pleased with the results and so will your sex partner!**

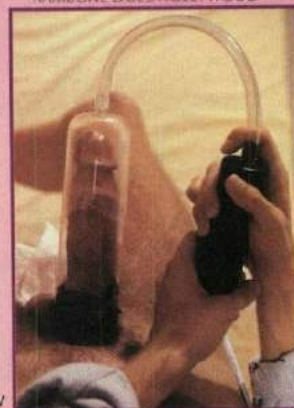

**Any man, any age, any size and any race can achieve a longer, thicker, and harder penis!**

Our heavy duty deluxe pumps are the same type of pumps prescribed by doctors that sell for up to  
\$500 to help men produce an instant, dynamic, rock hard, throbbing erection. Accept no substitutes.

# MAKE YOUR OWN PENIS BIGGER than HUGE!

A NEW LOW PRICE FOR A PENIS  
ENLARGEMENT & ERECTION BUILDING SYSTEM!

It's impossible to fail when using the HYPER-PUMP! It's the  
easiest way yet to **LENGTHEN, FATTEN & STIFFEN** your  
penis to new startling proportions! See photos below.

**HAVE ERECT MEASUREMENTS OF 9, 10, YES!  
EVEN 12 FULL INCHES!**

## HOW TO BUILD A GIANT PENIS!

If you've wanted to be the man that amazes women . . .  
the envy of other men because of their massive male  
organ . . . if you've ever craved a long, curving penis  
that hangs down beyond your balls along your thigh,  
there's only one sure-fire way to achieve your desires!  
Millions of men know how huge their penis can be  
thanks to regular use of vacuum development. And  
now, at a reasonable cost you can share this exciting  
experience!

## NEW HYPER-PUMP TAKES YOUR PENIS TO A NEW DIMENSION!

On your first use of the new HYPER-PUMP you'll watch  
your penis expand in thickness until the skin is stretched  
tight and your veins are vividly exposed! You'll watch  
in astonishment as your organ stretches out further . . .  
and further than you've ever imagined it could. You'll

see right away, without any doubt, that despite  
its low cost, the HYPER-PUMPS really work . . .  
and work fast to make your penis incredibly  
bigger!

## COST SO MUCH LESS THAN OTHER PUMPS! WORKS BETTER TOO!

You may have seen deluxe pumps costing \$50 . . .  
\$75 . . . \$100 . . . even as much as \$300! The fact is  
all pumps work on the same principle so why pay  
more for expensive advertising! The HYPER-PUMPS  
were designed for men who want fast, first-class results  
for a reasonable price. They are engineered for ease of  
use, with the fewest possible parts (nothing to break or  
wear out), light in weight, but exceptionally durable.  
And best of all the regular model HYPER-PUMP costs  
only \$14.50! Or you may order the SLIM-JIM or  
deluxe ELECTRIC models for just a little more!

Now you can **GET IT UP** with a speed you never thought possible; you can **KEEP IT UP** at a phenomenally large size you never thought possible; and you can **STAY HARD** for an incredible length of time you never thought possible . . .

**YES! MEN REPORT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES ARE POSSIBLE . . .**  
Watch your penis **GROW LONG, GROW FAT** and **GROW** to new startling dimensions!

*It's easy; when you follow these simple instructions.*

1. ANY MAN, with ANY SIZE in its soft state, inserts his organ into the sleeve of the miraculous SUPRA 12 with the new SENTRY Prolong Ring for erection mastery.

2. Begin the vacuum development phase; see your flaccid, puny organ start to GET LONG, GET FAT, BULGE & GROW - to new startling dimensions of LENGTH & THICKNESS . . .

3. IS IT AS BIG AS YOU WANT? Good! Now simply slip the SENTRY Prolong Ring to the base of your penis. You can keep that long, thick hard erection for as long as you wish!

### HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a **SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION**. This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and flowing the simple directions, any man **CAN ENJOY ASTOUNDING RESULTS** in augmenting his natural penis size to the **VERY MAXIMUM DIMENSIONS** of which he is capable!

### THE SENTRY PROLONG RING - THE MARVELOUS "BONUS" OF THE SUPRA-12 SYSTEM THAT ALLOWS YOU TO "HAVE YOUR CAKE AND EAT IT TOO!"

#### NEW, IMPROVED ELECTRIC MODEL

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."  
Sir Henry Royce (Rolls Royce)

No penis-building system is any good unless it allows you to enjoy **LASTING INCREASES IN SIZE**, right? This is where the beauty of the sensational new SENTRY Prolong Ring comes in - it allows you to maintain your **NEW BULGING SIZE**, and enjoy your hard, virile erection, for a period of time that will astound you - erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and **never interferes with penetration**, the SENTRY is your secret ally in pleasure, allowing you to **have intercourse, penetrating to new depths**, with an amazing new level of rigidity never attainable before. And then its removed in a flash. All this control literally **at your command, at your fingertips!**

### THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - SUPRA-12 GIVES YOU BOTH!

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

HUSTLER**

**September HUSTLER on sale July 4, 1995**

## **HIGHER YEARNING**

HUSTLER in September goes back to the school of skin and pink, and invites adventurous men and women to attend five packed and stacked anatomy lessons. Begin by cramming the darling derriere of porn's newest sensation, Jen Teal, who exhibits the fresh face and nasty habits that have propelled her to the head of the cinematic class; whip out that ruler and measure the momentous mammaries of a hot-blooded Italian girl who gets drenched outdoors in a lake of her own feminine fluid; bone up on powwow history when a soldier reenacts a literal interpretation of the white man screwing a shapely Indian; add two and two as a bubbly brunette models plastic fetishwear for her blond girlfriend; and learn the golden rule as seen in the saintly eyes of a suntanned sister whose sandy locks and honey-coated lips are as inviting as her blue-eyed baby face. HUSTLER in September is a bountiful book worth cracking. Study hard.

## **TORTURED PSYCH 101**

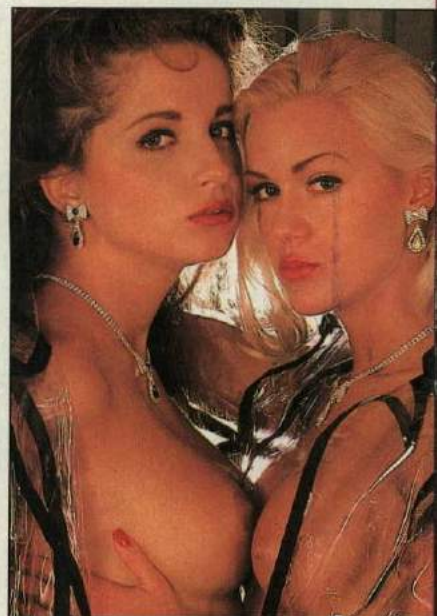

They're called heartless monsters who represent the lowest form of human life; they're child molesters, and they rank at the very bottom of the criminal ladder. What compels a man to rape a youngster? Is he the devil incarnate or a victim himself? Find out as HUSTLER examines the uncensored journal of a now-deceased child molester. His family has made his private thoughts and twisted desires available exclusively to HUSTLER to provide insight into the mind and madness of a man who molested. Learn the shocking secrets inside the *Diary of a Child Molester*, an article no parent will ever forget.

## **SCHOOL OF HARD ROCKERS**

It's a long way to the top in rock 'n' roll. Once a year, not-quite-famous rockers gather with producers, publicists and press people at the South by Southwest Music Conference in Austin, Texas, to wheel, deal and discover what it takes to become a star. While some bands aspire to be the next Nirvana, others pursue alcoholic excess. Go on the road with HUSTLER Associate Editor Scott Schalin as he aids and abets alternative rockers who get drunk, get hookers, get drunk and do just about anything to get a record deal. Get *Blind in Texas* and travel to one binge that ends with a purge.

## **TEACHING TRICKS OF THE XXX TRADE**

Ever wonder what it takes to film in-home sex like the pros? Find out in September's *Sex Play* "Shooting Beaver," which teaches amateur pussy auteurs the ins and outs of twat-taping technology; *Hot Letters* provides a literary feast for the eyes and loins; *Bits & Pieces* goes *Mad* with prurient parodies of a popular kids' comic magazine and proves there's a lighter side to even the strangest sexual proclivities; and *Beaver Hunt* catches the snatches of the girls next door. HUSTLER in September bristles with intelligence, wit and superior sexuality. There will be a pop quiz.
